Constitution

of the

Union Baptist Association

ARTICLE I - NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members of major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI - EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex officio member of the Associational Council.

The Vice Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The Chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the calendar year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII - TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Association property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or tranfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX - NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant, and at such time as it deems proper, shall make a recommendation to the annual Association that the applicant come under the watchcare of the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X - PROCEDURE

The business of the Association shall be conducted according to *Robert's Rules of Order*, where not otherwise provided by this Constitution or the Bylaws.

ARTICLE XI - AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and Bylaws for clarification and correlation.

ARTICLE XII - ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

Bylaws

ARTICLE 1 - Time of Annual Meeting

The Association shall meet annually on the Tuesday and Wednesday immediately following the fourth Sunday in October. However, in case of some unavoidable circumstances that make a change in the date of the annual meeting necessary, the Executive Committee shall have authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks before the stated time for the annual meeting and at least two weeks in advance of the new date for the annual meetings.

A special meeting of the Association may be called by the Executive Committee, provided that a notice of the time, place and purpose of such meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the called meeting.

ARTICLE 5 - Moderator and Vice Moderator

The Moderator or Vice Moderator shall preside at all meetings of the Association. They shall be members of the Executive Committee and, as opportunity may permit, they shall represent the fellowship of the entire Association as fraternal visitors to the churches. *The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

51. STRENGTHENING PEOPLE THROUGH WORSHIP - Congregational hymn, "We Gather Together."

53. Rev. W. L. Culbertson, pastor of Marshville Baptist Church, extended a welcome to all of those in attendance and gave instructions concerning the church facilities. He thanked all the churches participating in the provisions for this annual session: Austin Grove, Bethel, Fairfield, Hamilton Cross Roads, Lanes Creek, Marshville, Olive Branch, and Union Grove.

54. Mr. Ray Chaney made an announcement concerning the Crisis Assistance Program sponsored by the Marshville Chamber of Commerce in cooperation with Duke Power Company for people in need of fuel assistance.

55. STRENGTHENING PEOPLE THROUGH OUR INSTITUTIONS - Vice-Moderator Henry recognized all visitors and representatives of Baptist supported institutions.

56. Vice-Moderator Henry referred to the *Biblical Recorder* Report as printed on pages 11-12 of the Book of Reports. He moved the adoption of the report, seconded, and carried.

57. Chairman of the Children's Homes Committee, Rev. Joe Stroud, referred to the Children's Homes Report as printed on page 6 of the Book of Reports. He moved the adoption of the report, seconded, and he spoke to the report expressing his and Rev. O. L. Yeargin's (other committee member) thanks to each church who had supported the Baptist Children's Homes during the year and asked them to continue to pray for and support the Children's Homes. Motion carried.

58. Vice-Moderator Henry referred to the Baptist Retirement Homes Report as printed on pages 10-11 of the Book of Reports. He moved the adoption of the report, seconded, and carried.

59. In the absence of Rev. Glenn Rushing, Ministers' Retirement Committee Chairman, Vice-Moderator Henry referred to the Annuity Board Report as printed on a separate hand-out. He moved the adoption of the report, seconded, and carried.

60. Chairman of the Baptist Hospital Committee, Mr. Lumas Austin, referred to the Baptist Hospital Report as printed on page 9 of the Book of Reports. He moved the adoption of the report, seconded, and carried.

61. Vice-Moderator Henry referred to the Baptist Foundation Report as printed on pages 7-8 of the Book of Reports. He moved the adoption of the report, seconded, and carried.

62. Vice-Moderator Henry moved that we grant an item of miscellaneous business to be handled at this time, seconded, and carried.

63. A motion was then needed to reconsider the action taken on the previous day on the associational parsonage. Motion was made, seconded, and carried.

64. Last year's action concerning the associational parsonage was to table the original motion to delay any action until a new Director of Missions was secured. There was a need to amend the previous day's action to satisfy the minutes of last year. This does not eliminate the permission to sell the parsonage, but that not any action be taken until a Director of Missions is secured. A motion was made to amend the previous day's action, seconded, and explaining once again the need for an amendment, the amendment carried. The motion to reconsider as amended carried.

65. Congregational hymn, "I Am Thine, O Lord."

66. Prior to the special music, Moderator Grant introduced Dr. Michael Blackwell, Director of the Baptist Children's Homes.

67. Special music was brought by Rev. W. L. Culbertson, pastor of Marshville Baptist, singing "My Song of Songs."

68. Dr. Blackwell brought his message basing his remarks on the question or exclamation of "Who Says You're Not Beautiful." The biblical basis was Luke 19:1-10 concerning Zacchaeus. He also remarked on the ministry and work of the Baptist Children's Homes.

69. STRENGTHENING PEOPLE THROUGH THE LOCAL CHURCH - Rev. Albert Hinson, chairman of the Constitution and Bylaws Committee, was recognized to bring a recommendation within the minutes of the Executive Committee as found on page 36 of the Book of Reports. Rev. Hinson expressed his thanks to the committee members. This recommendation was brought on the previous day as found in item 15 of these proceedings. Rev. Hinson again read the present paragraph and the proposed addition. A motion was made that this addition be accepted, seconded, and Rev. Hinson spoke concerning the motion and that the committee feels this addition is needful and that it more or less clarifies what is already there. Dr. Byrns Coleman spoke against the recommendation. Rev. Phil McLean presented a substitute motion adding it exactly where the committee added it but changing the period to a comma and adding:

baptizing all new members except those received from Baptist churches which practice baptism by immersion only.

The motion was seconded and Rev. McLean spoke concerning the motion. Others spoke for and against the amendment, and it was clarified that persons coming for membership into a Baptist church who had been members of another denomination that practices baptism by immersion would have to be baptized by immersion again if the substitute motion carries. A question was called to cut off the debate, seconded, and carried. A vote was then taken on the substitute amendment and it did not carry. There was further discussion for and against the original recommendation brought by the Constitution and Bylaws Committee, and then a question was called for cutting off the debate, seconded, and carried. At this point, Rev. Robert Howard asked if he could make a motion to table the issue for one year. However, this motion was ruled out of order by the parliamentarian, Rev. Carroll Spivey, as the question had been called to proceed with the vote. The vote was 142 in favor of the recommendation and 74 against. There must be a two-thirds majority to carry; therefore, the amendment lost by two votes.

70. Vice-Moderator Henry moved that we extend the time of this session as the previous matter consumed extra time from that printed on the program and there being a need to present the other matters on the program. A motion was made to extend the time of this session, seconded, and carried.

71. Associational Clerk, Mrs. Logan Tucker, referred to the Minutes of the Executive Committee Meetings as printed on pages 25-38 of the Book of Reports. She moved the adoption of these minutes, seconded, and carried. Mrs. Tucker then referred to the Digest of Letters as printed on page 24 of the Book of Reports. She moved the adoption of the Digest to include the necessary figures from the other four (4) churches not reporting (60 of 64 churches reporting made up the Digest), seconded, and carried.

72. Chairman of the Resolutions Committee, Rev. Robert Howard, stated that there were no resolutions to present. He thanked all the churches in Church Group I for all they had done during this annual session. He moved the adoption of this report, seconded, and Vice-Moderator Henry asked those who appreciated what these churches have done to provide the meals and make everyone comfortable to stand and give a vote of applause. Motion carried.

73. Chairman of the Committee on Committees, Rev. George Gouge, referred to the Committee on Committees Report as printed on a separate hand-out. There were two changes that needed to be made as follows: (1) on the Prison Ministry, Rev. Al Lewis, chairman of the Prison Ministry Committee, is not attending Covenant Baptist Church at this time and, therefore, his name was deleted; (2) on the Resolutions Committee, Rev. Lowell Willis was replaced by Mr. Hampton Pitts. Rev. Gouge moved the adoption of the report with the changes, seconded, and Rev. Tony Owens brought an amendment to the report to add two (2) other names of retired ministers to the Missions and Outreach Committee; those names being Rev. Glenn Rushing and Rev. Earl Sossamon. If these two cannot serve, then the committee will seek two others. These will serve a three-year term. Amendment seconded and carried. The motion to adopt the Committee on Committee's Report carried.

74. Chairman of the Nominating Committee, Rev. W. L. Culbertson, referred to the Nominating Committee Report as printed on pages 21-22 of the Book of Reports. He moved the adoption of the report, seconded, and carried.

75. Vice-Moderator Henry opened the floor for nominations for the election of Moderator. Rev. John Grant was nominated to serve as Moderator another term. There were no other nominations and a motion was made to cease nominations and that Rev. Grant be elected by acclamation, seconded, and Vice-Moderator Henry asked everyone to stand to show Rev. Grant their vote of appreciation.

76. Moderator Grant expressed his appreciation for the confidence placed in him.

77. Moderator Grant opened the floor for nominations for the election of Vice-Moderator. Rev. Earl Henry was nominated to serve as Vice-Moderator another term. Motion was made that nominations cease and he be elected by acclamation, seconded, and Moderator Grant asked those in favor to give a hearty "amen."

78. Mrs. Logan Tucker, Associational Clerk, recognized the following church clerks by presenting them with a certificate of recognition for having served their churches for ten (10) years or more: Mr. Jim B. Price, 28 years at Hopewell; Mrs. Marvin Rowell, 27 years at Hillcrest; Mr. Elias Charo, 26 years at Calvary; Mrs. Ted Hargett, 22 years at Bethel; Mr. Henry Napier, 17 years at Olive Branch; Mrs. Helen Helms, 16 years at Wingate; Mrs. Ruth Ledford, 16 years at Waxhaw, First; Mr. David Billingsley, 16 years at Mt. Olive; Mrs. Mildred Humbles, 15 years at West Monroe; Mrs. Karen Baker, 13 years at Mt. Zion; Mrs. J. J. Griffin, 13 years at Marshville; Mrs. Roy Godfrey, 13 years at Waxhaw; Mrs. Ray Phillips, 13 years at Mary Elizabeth; Mrs. Earl Rape, 12 years at Mountain Springs; Mrs. Elaine Richardson, 12 years at Indian Trail, First; Miss Vickie Deese, 11 years at Howie; Mr. Olin C. Trull, 11 years at Benton's Cross Roads; Mrs. Virginia Sanders, 10 years at Fairfield; Mrs. Bedford Deese, 10 years at Faulks; Mr. Wayne Tomberlin, 10 years at Sutton Park.

79. Moderator Grant asked everyone to stand in appreciation of Mildred Tucker (Mrs. Logan), the associational secretary-clerk for the work she is doing.

80. As a matter of miscellaneous business, Rev. Robert Howard was recognized bringing the following motion:

> Because of the controversy that has come about in our Union Baptist Association in the last few months over the constitution and practice of two of our churches concerning baptism, I move that our Association give First Baptist of Monroe and Wingate Baptist 60 days to reconsider and amend their constitution and their practice of receiving members of other faiths without Scriptural Baptism by Immersion. If they choose not to comply with our Associational Constitution in this matter, by their own action make themselves no longer a part of Union Baptist Association.

Motion was seconded, and Rev. Howard spoke to the motion. After other comments, a motion was made that the question before us be tabled, seconded, and the motion to table did not carry. After further comments concerning the original motion, a question was called for cutting off the debate, seconded, and carried. Moderator Grant reread the underlined portion of the original motion and the motion carried. A question was then asked as to what would happen if the two (2) churches do not comply, with the answer being that they would automatically be out of the Association. The question then arose as to whether it needed a two-thirds majority to pass; however, this was in the form of a simple motion and would not require a two-thirds majority. There was then some question as to whether the results of that motion were reread. After clarifying that the results were not reread (that portion following the underlined portion of the motion), a motion was made that this body rehear this motion and revote, and after the vote is taken, the Executive Committee and Bylaws Committee be the authoritative body to decide what the final outcome will be. The question arose again concerning the need for a two-thirds vote; however, the parliamentarian ruled that the original motion did not deal with the Constitution and would not require a two-thirds majority. There was a second to the motion and Moderator Grant stated that the Executive Committee does not have the authority to rule on excluding our including a church. The parliamentarian stated that we were dealing with a

motion but there was a conflict between a main motion and the Constitution. A motion was made to adjourn; however, there was already a motion on the floor. Moderator Grant then stated that the motion as underlined carried in the sense of a simple majority, but the last part, the results, he felt would have to carry a two-thirds majority because it definitely deals with exclusion or to receive. Moderator Grant then read the original motion and the results of that motion. Motion carried to have a revote. After further discussion, a question was called to cut off the debate, seconded, and carried. The motion was read once again and a revote was taken (taking a two-thirds majority to carry) and the motion did not carry.

81. A motion was made that we extend the time of the session for thirty (30) minutes, seconded, and carried.

82. Rev. Robert Martin made the following motion:

> That the Executive Committee of Union Baptist Association ask Baptist Hospital in Winston-Salem, North Carolina if they perform abortions of any sort.

Motion seconded and carried.

83. 83. Rev. Mike Whitson, Associational Sunday School Director, recognized the members of the ASSISTeam (Associational Sunday School Improvement Support Team). They will be receiving certificates for the work they have done. The following members are: Teaching Improvement Training Director, Rev. Carroll Spivey; VBS Director, Mrs. Kathy (Mike) Whitson; Outreach Director, Rev. Ron Riddley; Adult Leader, Mr. Sammy Thomas; Youth Leaders, Rev. Steve Stewart; Children's Leader, Mrs. Janet (Phillip) Whitaker; Preschool Leader, Mrs. Joyce (Buddy) Waters; Special Children's Leaders, Mrs. David Morgan and Mrs. Roger Simpson, These were given an applause for the work they have done.

84. Mr. Lex Funderburk referred to the memorials as printed on a separate hand-out. After a moment of standing in silent prayer in memory of our beloved dead, Mr. Funderburk led in prayer. He then moved the adoption of the report, seconded, and carried.

85. Prior to the congregational hymn, Moderator Grant introduced Dr. Delos Miles, professor of evangelism at Southeastern Seminary.

86. Congregational hymn, "Amazing Grace."

87. Special music was brought once again by Rev. W. L. Culbertson, singing "Then Jesus Came."

88. Because the session was extending past the time of adjournment, Dr. Miles did not bring his message and stated that he would agree to come back next year if the Association would choose to have him come.

89. A motion was made to adjourn, seconded, and carried.

90. Rev. W. L. Culbertson gave instructions concerning the meal and blessed the meal.

91. Registration: appointed messengers - 244; alternates - 16; visitors - 35; total registration - 295.

American Bible Society Report

A story often told in East Africa tells about a woman who always carried a bulky Bible with her wherever she went. Never would she part from it. Soon the people of her village began to tease her: "Why always the Bible? There are many other books you could read!" Yet, the woman kept on living with her Bible, neither disturbed nor angered by the taunts. Finally, one day she knelt in the midst of those who laughed at her. Holding the Bible high above her head she said with a big smile: *"Yes, of course there are many books which I could read. But there is only one book which reads me."*

Through the efforts of Bible Societies around the world, millions of people each year are discovering the one book that reads them—the one book that understands their fears and frustrations, their hopes and despairs, their sorrow and successes—the one book which holds the answers to whatever problems they may be called upon to confront as they pass through life—the one book through which they can discover the pathway to eternal life as a follower of Jesus Christ—the one book which is the Word of God.

During 1985, the American Bible Society shared almost 100 million copies of Scripture throughout the United States.

Scriptures were printed in 84 languages. Some were given to seamen whose ships call at major US ports. Some were distributed to United Nations diplomats and their families. Others were used by Southern Baptists and other denominations in reaching ethnics with God's Word.

During the year, Southern Baptists used ABS Scriptures to reach people. During the nationwide evangelistic outreach called "Good News America, God Loves You," Southern Baptists distributed Gospels of John and New Testaments printed by ABS. Campers on Mission, sponsored by the Home Mission Board, SBC, used more than three million ABS Scripture Selections in witnessing to fellow campers across the nation.

Scriptures were provided for prisoners, armed services, institutions, halfway houses, nursing homes, and residential care centers.

These and all other efforts to reach out with God's Word were made possible through the unselfish prayerful and dedicated devotion of donors to the American Bible Society. This is the only non-Southern Baptist agency which the denomination promotes support by churches and their members.

Respectfully submitted,
Marian Hume, ABS Coordinator

Annuity Board Report

"1985 was an extraordinary year of growth and achievement at the Annuity Board. This phenomenal growth is a commentary on the vitality of the churches and agencies of the Convention. Frankly, this is the basis for an almost unlimited optimism of growth and vitality," said Annuity Board president, Darold Morgan.

This boils down to the fact that churches cannot find a more stable organization to invest in for the security of their pastors and staff employees. It is a security for their employees to have something to look forward to at retirement. However, there are *22 churches in the Union Association that make no provision for their pastors' retiremen*. This is the obligation of the churches to see that their pastors and other employees are provided for at retirement, as many pastors are reluctant to bring this up to the church since they themselves are involved. I, as the Association's representative, urge the churches that do not have this program for their pastors and employees to take this responsibility and see that they are covered in this program. I or

anyone representing the Association will be glad to help in any way we can. So please take this into consideration in behalf of your pastor and other employees.

Respectfully submitted,
Rev. Glenn Rushing, Chairman,
Ministers' Retirement Committee, Mr. Sam Sain

Baptist Children's Homes' Report

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative, and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless, and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation, and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our 101st year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than 25 youth into the fellowship of the local church.

The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with 50 percent of that which was received going to the Children's Homes, 25 percent to the Hospital, and 25 percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May 1987.

UPDATE/CHARLOTTE AREA:

The Charlotte Family Services Center serves eight counties: Anson, Cabarrus, Cleveland, Gaston, Lincoln, Mecklenburg, Stanly, and Union, offering placement services and information for emergency care, group care, foster care, maternity care, and therapeutic camping. The Charlotte area offices have relocated to the new Associational Building at 328 W. Independence Boulevard. We invite you to come to see us. We also invite you to visit the Charlotte Emergency Youth Care Center at 9741 John Russell Road to learn firsthand about the work being done in our emergency care facility. A visit can be scheduled by calling child care workers Bobby and Clara Goodman at 597-1747.

We deeply appreciate your prayers and support of our ministry to children and families.

Children's Homes Committee,

Baptist Foundation Report

The purpose and objectives of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions, agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985 North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice," once to family, then to Kingdom causes. Through properly constructed trusts and wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes - forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting!

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are duing their lifetime more committed stewards. They *enjoy* their giving, and this happy, conscious stewardship dedication must be a profit for the church.

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist causes for endowment support - the ongoing, assured support of those who support them now.
3. Ways by which these realities may be met and accomplished.
4. Counsel in wise decisions for endowing *any* Baptist cause - for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

Specifically , the local church may be benefitted in these ways:

1. Members are encouraged to name local church in their wills. A percent of the estate is usually preferred, rather than a dollar amount.
2. The church may receive real estate in a Life Estate agreement. The individual deeds to the church certain property, or a portion of such property, maintaining all rights and responsibilites to it for life or for a designated period, and then the property becomes that of the church.
3. Appreciated property and securities, "E" bonds, church bonds, bank shares, and nearly any property of value can be transferred into a trust which can benefit the individual and the church - now or at a future date.
4. The Foundation assists churches in establishing their own endowment, memorials, or Planned Giving committees, then works with the committee to promote estate stewardship among the people. The Foundation can - and does - serve as fiscal agent, managing the memorial funds, etc. received as a result of church committee's efforts, and then distributes the income back to the church or other designated beneficiaries.
5. Local churches are now investing special funds which they hold for some future cause, with the Foundation for loans to new churches, to associations to purchase property for new churches, etc. These may be long-term or short-term loans, and each is handled on an individual basis. The local church receives a fair return on its funds while enjoying the knowledge they have made those funds available to a struggling congregation who is engaged in the same "calling" as they - preaching the Gospel of Jesus Christ.
6. Local churches, or specific programs of local churches, may be named beneficiary and owner of insurance policies, or the church may be named co-beneficiary, secondary beneficiary, remainder beneficiary, residual beneficiary, or even dividends may be assigned to the church. Tax consequences may accrue to the donor in each case.
7. Churches now receive trust income from individual trusts administered by the Foundation for:
   - cemetery maintenance
   - help pay current building debt
   - for future construction of activities building or sanctuary
   - for capital improvements
   - for senior adult ministry
   - for youth summer mission programs

- for homebound and tape ministry
- for benevolent committee which meets local and community needs
- sanctuary flowers
- for its outreach in missions, special offerings, Children's Homes
- for specific items of general grounds and building maintenance
- for its contributions through Cooperative Program
- for scholarship grants and loans

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

Respectfully submitted,
Edwin S. Coates, Executive Secretary

Baptist Hospital Report

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states, and the District of Columbia. Eight patients came from outside the United States. An addition 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hosptial because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain, and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton, and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville, and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families, and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities, and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Mr. Lumas Austin, Chairman,
Baptist Hospital Committee,
Rev. Charles Brock, Mrs. Carroll Spivey

Baptist Retirement Homes Report

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the *Biblical Recorder*, local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of senior adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the senior adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to senior adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August 1985 through June 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over $900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided $785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units were completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Respectfully submitted,
Rev. Albert Hinson, Mr. Zeb Howell

Biblical Recorder Report

In a year that has been marked by tragedy, stress, and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters, and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians—fewer persons in North Carolina are members of any church than are not—and the rising spirit of secularism makes our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire, and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year.* Many of the other major state Baptist papers such as the *Recorder* have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

Brotherhood Report

Perhaps no more urgent issue confronts man than the question: "What do you think of Christ?" Brotherhood, when implemented in a church, enables the laity to take an inward look at themselves and establish their relationship with Jesus.

An Associational Baptist Men and Royal Ambassador leadership workshop was held in October. The first associational pine wood derby was held in February. Both of these events were hosted by Hamilton Cross Roads Baptist Church to whom we are very grateful. This spring marked our fifth associational track meet which was held at Forest Hills High School. Several hundred boys and girls participated; and again our Associational RA Director, Tommy Threatt, did an excellent job organizing and directing the meet.

Although our West Virginia Partnership has been completed, some churches returned to continue assisting the new churches that had been started. The Togo Partnership is now in its last year with 55 wells completed, 48 pumps installed on wells, seven ponds completed, one bridge completed, 360 professions of faith made, and 16 villages holding discipleship classes.

We thank every church for the Christian friendship and helping hand on the projects which our Associational Brotherhood Department undertook this year.

Christian Action League Report

If Christianity is authentic, then, it must be reflected in the daily walk of the followers of Jesus Christ.

Helping Christians to apply the moral demands of the Good News of Jesus Christ remains the top priority of the Christian Action League.

There is much to rejoice about what has occurred in the last 12 months, but it is also a time to renew our efforts for new battles on the horizon.

I. OBSCENITY: The state's new Comprehensive Obscenity and Child Protection Act has been met with unusual success. Some 12 months ago, law enforcement officials stated that North Carolina had some 750 hard core porno outlets making our state the nation's "smut" capital. Today, only about 150 remain in operation, and most of these are facing porno charges with court cases pending.

For all practical purposes, convenience stores and other retail establishments have removed sexually oriented publications such as PLAYBOY, HUSTLER, PENTHOUSE, ETC. Others have placed the material behind the counter or behind "blinder" racks where they are not accessible to minors.

Video stores have cleaned their shelves of sexual explicit materials rather than face prosecution.

Cable porn programs like the Playboy Channel have been discontinued in communities such as Hickory, Raleigh, Chapel Hill, Durham, etc.

Indictments have been brought against ADAM & EVE - the largest porno distributor in the Southeast, located in Orange County.

The battle is not over for the cause of decency. The pornography industry and its sympathizers are already raising funds and seeking to build support to get our state's new obscenity law "watered down" in the 1987 legislature.

II. ALCOHOL (Liquor-Beer-Wine): The League remains the only organization in North Carolina providing assistance to communities involved in sighting our number one addicting drug. Referendums have been defeated in the following areas:

1. Scotland County defeated liquor-by-the-drink;
2. Black Mountain defeated liquor-by-the-drink;
3. Concord defeated liquor-by-the-drink;
4. Manteo defeated liquor-by-the-drink;
5. Rowan County defeated liquor-by-the-drink;
6. Wayne County defeated liquor-by-the-drink;
7. Pasquotank County defeated liquor-by-the-drink;
8. Old Fort defeated beer-wine sales; and
9. King defeated an ABC liquor store vote.

These victories were the result of strong, aggressive leadership on the part of caring people.

III. GAMBLING: In 1987 the church will probably face its strongest challenge yet from the gambling industry.

Pro-lottery forces have already stated that they will be back before the 1987 legislature with an all-out effort to secure a statewide lottery.

Pari-mutuel gambling forces have now come on the scene. A statewide organization operating under the name, CAROLINA SPORTS ASSOCIATION, with offices in High Point are pushing this cause. Rufus Edmisten, the state's former Attorney-General, has been employed by the gambling forces to assist in their drive for pari-mutuel gambling. This group is publishing a newspaper, *Sporting Journal*, that is being sent to key business and industrial leaders throughout North Carolina to enlist supporters. Fund-raising efforts are also underway. A speaker's bureau has been informed providing programs for civic and community groups on behalf of the gambling cause.

What will be the outcome of both efforts? Basically, the decision will be made in the November 1986 General Election. If a few more pro-gambling legislators win seats in the

legislature, the war is over. In the 1985 session, the lottery went down to defeat with a tie vote. That is how close the issue already is in our state.

Billy Sunday used to say: "The only thing worse than an empty voting booth is an empty head in the voting booth."

The position for the 1987 North Carolina House and Senate candidates on the gambling issues must be obtained and shared with the Christian community so voters will be informed when ballots are marked.

Plato said: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Christian Higher Education Report

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

CAMPBELL — During 1986 there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

CHOWAN — Enjoys a national reputation as a two-year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

GARDNER-WEBB — On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July 1976. On June 1 Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

MARS HILL — A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

MEREDITH — "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

WAKE FOREST — Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

WINGATE — Looking toward its 100th anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

Church Training Report

As your Associational Church Training Director, I would like to do at least two things in this report.

First, I want to give you a report on what we have done in Union Association in Church Training. On November 18, 1985, we had our annual "M" Night in the Sandy Ridge Baptist Church with 200 people present. Sandy Ridge had 80 present and 92 percent of their enrollment present. They won the award for the best percent of enrollment present. Indian Trail, First Baptist Church had 20 present and they won the best attendance award. Oakland Baptist Church had 16 present and they won the award for the most present without organized Church Training. Mrs. Ara Baker of Hickory, North Carolina was our guest speaker.

On March 15, 1986, we had our annual Associational Youth Night in the Benton's Cross Roads Baptist Church with over 160 young people present. Our young people were challenged by the speakers and special music, all local people.

On April 27, 1986, we had our Associational Bible Drills in the Monroe, First Baptist Church. Mrs. Janette Seagroves, an approved Church Training Worker for the North Carolina Baptist State Convention, directed our Children's Bible Drill. We congratulate the following churches for having children in the 1986 Drill: Sandy Ridge, Fairfield, Lee Park, Oakland, Shiloh, and Antioch. Rev. James McCoy led the Youth Bible Drill, and we congratulate Fairfield for having young people in the Drill.

The second thing I want to do in this report is challenge you to be committed to Spiritual Growth in 1986-87. Great Christians become great because of a commitment to grow a little more like Christ each day. "Bringing Together Sovereignty and Stewardship" is the annual theme for Church Training 1986-87. God created the universe and He sustains it. The natural response of God's people to His sovereignty is to be a good steward. Commitment is two-way, giving and receiving. We give (entrust) to God our lives and resources; we receive from God life, salvation, and resources with which to serve Him. These gifts provide the climate for Christian growth.

We would like to see more Baptist Church Members in Union Association participate in the Church Training activities on the local church level and the Associational level. Please let your Associational Church Training workers know when they could be of help to you in your church.

Respectfully submitted,
Rev. Bobby Seagroves,
Associational Church Training Director

Evangelism Report

Evangelism is the heartbeat of every church and should have priority over everything else. The church, the body of believers, is the evangelist. God created the church as His instrument of evangelism. The early church understood this. Evangelism should be the normal activity for every Christian at all times. Basic to effective evangelism is prayer, planning, preaching, visitation, friendship, and communication. It simply means, through these ways, presenting Christ to every lost person in the world. The command of Christ speaks loudly, "Present me as the living, loving and redeeming Lord so others may know and accept me unto their lives." Everything a church does can contribute to evangelism. Every church activity should point to its central purpose; bringing others to Christ. The New Testament Churches accepted the responsibility for spreading the Good News of Christ. Thus, missions and evangelism are the lifeline of New Testament evangelism.

This same call comes to every church in the Union Baptist Association. There are thousands lost and unchurched needing to hear the Good News, "Jesus saves." What are we doing to meet the challenge?

There are three areas we are asked to give special interest during the next year, ethnic groups, work among single adults, and children. There are 200 ethnic groups in the United States. Forty-one million (41,000,000) people in America speak another language at home. Pastors preach in 77 different languages in America every Sunday morning.

In America, one out of every two marriages ends in divorce. In North Carolina 1.2 out of every two marriages end in divorce. Union County has not escaped this problem. These people need our help.

Our children should have a special place in our work. We believe a child reaches the age where he is responsible for his relationship to God. Let's be careful not to neglect them.

"Behold, now is the accepted time; behold, now is the day of salvation." (2 Corinthians 6:2)

Paul said, "For the love of Christ constraineth us---" (2 Corinthians 5:4). Christian love is being and doing as if Christ Himself were acting out His purpose in us. The motivation for

evangelism must proceed from the conviction that people without Christ are lost and God does not want anyone to perish. He has made known to us His will and purpose. Christ has committed to the whole Church the work of evangelism. Let's make it top priority.

Respectfully submitted,
Rev. Claude Connell, Chairman,
Evangelism Committee,
Mr. Gene Simpson, Rev. Phillip McLean

Minutes of Executive Committee Meetings

OCTOBER 22, 1985

A special meeting of the Executive Committee of Union Baptist Association was called on October 22, 1985, at 8:00 p.m. Because of lack of space in the basement at the associational building due to a scheduled meeting, the committee met at Lee Park Baptist.

Rev. Ward Gandy led in prayer.

Rev. George Gouge, Moderator, explained the reason for the special meeting being for the purpose of investigating the methods of two (2) of our churches on the way they receive members.

Roll call was given with 74 members from 45 churches.

Moderator Gouge stated that the two (2) churches are Monroe, First Baptist and Wingate Baptist. He read paragraphs three and five and the last sentence of item two under paragraph five under Article IV of the associational constitution; thus the reason for the investigation.

Moderator Gouge read the bylaws that are under investigation from Monroe, First Baptist. The bylaws from Wingate Baptist are stated almost identically.

Rev. John Grant, Vice-Moderator, presented the following recommendation from the Council:

> That the Christian Relations Committee serve as the committee to investigate the matter of the method of receiving members of two (2) of our churches into their fellowship. Moderator Gouge advised that the Christian Relations Committee would be composed of the members that would be voted on at the annual meeting on October 29-30. He read the names of those on the committee. Motion was made to accept this recommendation, seconded, and the matter was open for discussion.

Dr. Scott Walker, pastor of Monroe, First Baptist, spoke concerning the church's constitution and bylaws.

Rev. Jerry Surratt, interim pastor of Wingate Baptist, spoke on behalf of the church.

Questions concerning the constitution and bylaws were presented to Dr. Walker.

An amendment was made to the motion that the investigation be with the primary reason of reconciliation and allowing these churches to reconcile themselves with the body. Amendment was seconded, and it was stated that the Christian Relations Committee would report to the Executive Committee at the next regular meeting in December. Amendment carried.

The original motion, to include the amendment, was restated and carried.

There being no further business, Rev. John Wood closed the meeting with prayer.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

DECEMBER 10, 1985

Roll call was given with 70 members from 44 churches.

Minutes from the regular meeting on September 10, 1985, and the special called meeting on October 22, 1985, were read and approved.

The following reports were given:

1. TREASURER - Buford Griffin, Treasurer, referred to his printed report.
2. SUNDAY SCHOOL - Mike Whitson, Sunday School Director, emphasized the need to improve on getting reports in to the contact persons when there is a special reporting day, such as High Attendance Day.
3. DIRECTOR OF MISSIONS - Ellis Marks, Director of Missions, referred to his printed report. He then referred to his printed comparison report for 1974-1985. He stressed that all churches get a picture of their church building into the associational office if they have not already done so. He expressed his joy of having served as Director of Missions and asked for the prayers of everyone.
4. WMU - Mrs. Floyd Helms, WMU Director, reported that most of the WMU Council had attended Caraway. She reported other activities of the WMU organizations including the leadership conference. She promoted the 100th anniversary of N.C. WMU and the 100 days of prayer beginning on January 8, 1986. She asked that all churches plan to have a birthday party as a celebration of the 100th anniversary.
5. BROTHERHOOD - Gene Williams, Brotherhood Director, reported a good attendance at the Brotherhood Workshop on October 21. A Pinewood Derby is being planned for the RA's.
6. CHRISTIAN RELATIONS COMMITTEE - Lawrence Funderburk, chairman of the Christian Relations Committee, gave a progress report concerning the investigation of the way Monroe, First Baptist and Wingate Baptist receive members into their fellowship. The committee's first meeting was on November 17 at Hillcrest Baptist with all members being present but one (1). The committee will meet again on Sunday, December 15 at which time a date will be set to meet with the pastors and deacons from both churches. He asked for the prayers of everyone and for a special prayer at the end of this session.

Earl Henry, Vice-Moderator, was recognized to present the following motions from the Council:

1. That we have a World Missions Conference in March of 1987. Motion seconded and carried.
2. That Rev. Carroll Spivey serve as parliamentarian. Motion seconded and carried. It was clarified that this would be an annual election.
3. That we endorse the Korean Partnership Evangelism on October 8-23, 1986. Motion was seconded and Ron Riddley, Outreach Director in Sunday School, spoke concerning this campaign. Union Baptist Association would be the prime enlistment area for ten (10) teams to go to Korea. Each team would have one pastor and three lay persons. Each pastor in the Association has been sent a letter concerning this campaign. The cost is $1,468 per person. The endorsement of this campaign is without obligation and that we will use all of our available resources to encourage our Association to get involved in partnership evangelism. There will be a video on partnership evangelism at Trinity Baptist on Monday, December 16. Motion carried.
4. That the Association ask the churches in the Association to take a love offering for Ellis and Myrtle Marks on the third Sunday in February 1986, showing our love and appreciation for them. This offering would be presented to them at our next regular meeting in March. Motion seconded, and carried.
5. That the two (2) lay members from the Executive Committee, Earl James and Wendell Stegall, continue to serve on the Council. Motion seconded and carried.

Vice-Moderator Henry moved that we discuss the job description for the Director of Missions as presented by the Search Committee. Motion seconded, and Bill Culbertson, chairman of the Search Committee, was recognized. However, the motion was out of order due to the fact that the job description was only presented to the Council. Rev. Culbertson made

available a list of 25 qualities and qualifications for a Director of Missions, and asked everyone to fill this out indicating the 10 top preferred qualities and qualifications.

Vice-Moderator Henry recognized Tony Owens, chairman of the Missions and Outreach Committee. Rev. Owens reported that Forest Hills Baptist has a need for more Sunday School space. The old sanctuary of Indian Trail, First Baptist has been donated to Forest Hills and there will be a cost of $15,000 - $20,000 to get the building moved and set up. Rev. Owens moved that a Sunday in January 1986 be set to take up a love offering to go toward this cause. Any money that might be left over would go to the Association specified for furthering missions. Motion seconded and carried.

Rev. Owens then asked that any area where there might be a need for planting a new church, that this be reported to the Missions and Outreach Committee. The committee would be glad to take a census of any area where there is a possibility of church planting, especially in the Matthews and Weddington areas.

A motion was made that the Christian Relations Committee bring a definite recommendation to the Executive Committee meeting sometime around February 10, 1986. Motion seconded, and there was an amendment to the motion that the Christian Relations Committee bring some type of recommendation on the two (2) churches at the next Executive Committee meeting in March 1986. The amendment was seconded, and there was a motion to table the amendment. The table was seconded, and there was a tie vote of 27 for and 27 against. With the vote being tied, it voided the amendment, and the original motion was withdrawn. A motion was then made that the Christian Relations Committee bring some type of recommendation on the two (2) churches at the next Executive Committee meeting in March 1986. Motion seconded and carried.

There being no further business, the meeting was closed in prayer by Rev. John Wood to include the special prayer request made by the Christian Relations Committee.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

MARCH 11, 1986

The regular meeting of the Executive Committee of the Union Baptist Association was held on March 11, 1986, at 8:00 p.m. in the associational building. Rev. John Grant, Moderator, presided.

Rev. Roy Yow gave the devotion reading from the fourth chapter of Ephesians. He then led in prayer.

Roll call was given with 75 members from 44 churches.

Minutes were read and approved.

The following reports were given:

1. TREASURER - Buford Griffin, Treasurer, referred to his printed report.
2. CHURCH TRAINING - Rev. Bobby Seagroves, Church Training Director, reported that 173 people were in attendance at "M" Night. Youth Night will be Saturday, March 15, 1986, at Benton's Cross Roads Baptist at 7:30 p.m. with Steve Ackerman of University Hills Baptist in Charlotte as guest speaker. He reported that on April 27, 1986, we will be having the Church Training Tournaments at Monroe, First Baptist at 3:00 p.m.
3. BROTHERHOOD - Gene Williams, Brotherhood Director, reported that the fifth annual track meet will be April 19, 1986, at Forest Hills High School. There will be a planning meeting for those churches wishing to participate on March 31, 1986, at 7:30 p.m. at the associational building.
4. WMU - Mrs. Floyd Helms, WMU Director, reported on the conferences and workshops that she had attended and would be attending in the future. She expressed her thanks for all the prayers during the time she was in the hospital.

Rev. Grant stated that a request was being honored to Monroe, First Baptist that the recommendation from the Christian Relations Committee be brought to the floor last in order for the pastor and representative from the church to attend following their revival service.

Rev. Grant asked Rev. Ellis Marks, our retired Director of Missions, to come forward. Rev. and Mrs. Marks were presented a love offering in the amount of $3,776.42 from the churches in the Association. Rev. Marks then expressed their appreciation for the love offering.

Rev. Earl Henry, Vice-Moderator, was recognized to present the following recommendations from the Council:

1. Rev. Henry recognized Jerry Carnes, chairman of the trustees, for two recommendations:
   a. That we enter into an agreement with a professional cleaning service to clean the associational building to include cleaning the building twice a month and the other two weeks do a spot cleaning. This would be a one-year contract with a 30-day written notice from either party. The interior portion of the building would be for $60 per month. For the exterior (yards), twice a month as the season requires for cutting the lawn and taking care of the property around the building such as trimming the hedges, at the cost of $50 per month. The recommendation was seconded and carried.
   b. That we paint the entire upper level of the associational building which would include painting down the staircase and putting a coat of varnish on all the shelving at the total cost of $850 by Bobby Kilgore. Recommendation was seconded and carried.

As a matter of information, Mr. Carnes reported on the conditions of the associational parsonage. The hot water heater has had to be replaced and the dishwasher will have to be replaced. The entire inside of the house will need to be painted and something will have to be done to the exterior due to the fact that it will not hold paint. Some work may have to be done on the floor in the kitchen area with some carpet needing to be replaced. Because of problems with the heating system, it may have to be replaced.

2. That we authorize the Finance Committee to include a housing allowance in the budget for the new Director of Missions, primarily because at the annual associational meeting a motion was made that we table the matter of selling the parsonage until we get a new Director of Missions. The recommendation will enable the Search Committee to be able to know what to offer anyone that they might consider for Director of Missions. Motion seconded and it was stated that the Finance Committee would bring back a recommendation. After some discussion, an amendment was made that a vote be taken to decide whether or not to sell the parsonage. However, a vote could not be taken as this was done by the Association in annual session and cannot be brought back off until the election of a Director of Missions. A motion was then made that we vote on the original motion, seconded, and the original motion carried. A letter will go out after an amount is decided upon.

Rev. Bill Culbertson, chairman of the Search Committee, gave a progress report. He stated that they had interviewed six (6) men.

Rev. Grant suggested that the Council meet with the new Director of Missions since he is under the supervision of the Council and then bring the person before the Executive Committee. Rev. Grant asked for the privilege to call a special meeting with the sole purpose being of voting on the new Director of Missions.

Rev. Grant advised the committee that the date of March 8-15, 1987, has been set for the World Missions Conference.

Rev. Lawrence Funderburk, chairman of the Christian Relations Committee, was recognized to bring a recommendation from the committee concerning the matter of the way Monroe, First Baptist and Wingate Baptist receive members. The recommendation was: that the pastors of the Association who brought the matter of open membership to the attention of the Pastors' Conference be asked to meet with the two churches and report back to the Christian Relations Committee by May 15, 1986. From the findings from these meetings, a report will be brought back to the June Executive Committee meeting. He moved the adoption of this recommendation, seconded, and the floor was open for discussion. Rev. Greg DeMarco of Corinth Baptist spoke as one of the pastors who brought up the matter of the two churches, stating that he is unwilling to meet with either of the two churches. Rev. George Gouge spoke reminding the body that it could do nothing except to make a recommendation to the Association as it is the final authority, and as far as time is concerned, nothing could be done until the next annual meeting in October.

A motion was then made that the matter be carried to the annual associational meeting because of the unwillingness of the two churches to abide by the associational constitution in Article IV, paragraph three and items one and two under paragraph five. However, this motion was out of order because there was already a motion on the floor. After further discussion, Moderator Grant asked for a vote of cutting off the debate with the vote carrying. The originial recommendation was reread and a vote was taken with the majority of the vote being opposed.

Rev. Larry Barnes of Mt. Moriah Baptist made a motion that the two churches be placed under the watchcare of the Association with the watchcare being that they will be members of the Association only through support of missions; however, they will have no associational privileges except to give missions through the Association. However, this body cannot place a church under watchcare except at an associational meeting.

After further discussion, a motion was made that the issue be tabled for one year. Motion seconded, and carried. However, the question arose as to who had the right to vote. It was clarified that the pastor and one (1) elected lay member from each church was eligible to vote. Those also eligible to vote as members of the Council are Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, and Evangelism Director. Therefore, the motion was voted on again and did not carry.

A motion was then made that we withdraw fellowship from the two churches. However, the motion was ruled out of order as the vote to withdraw fellowship has be be a two-thirds vote by the Association in annual session.

A motion was then made to adjourn, seconded, and carried.

Rev. Dade Sherman, as one of the pastors originating the matter concerning the two churches, requested that it go on record that he was willing to go back to the Pastors' Conference where the issue originated.

Mildred P. Tucker, Secretary-Clerk

JUNE 3, 1986

The regular meeting of the Executive Committee of the Union Baptist Association was held on June 3, 1986, at 8:00 p.m. in the associational building. Rev. John Grant, Moderator, presided.

Rev. Don Lisk gave the devotion, reading from the second chapter of Philippians and leading in prayer.

Roll call was given with 58 members from 38 churches.

Minutes were read and Rev. Grant reported that a correction needed to be made to the minutes. The minutes of the March 11, 1986, Executive Committee stated "that we authorize the Finance Committee to include a housing allowance in the budget for the new Director of Missions, primarily because at the annual associational meeting a motion was made that we table the matter of selling the parsonage until we get a new Director of Missions." This would mean that any action on the parsonage could not be made until the Executive Committee had voted on a new Director of Missions. He read the comments made by Rev. Mike Whitson at the annual session directly from the tape concerning the tabling of the decision about the parsonage. Rev. Whitson stated that he felt we should consider the status of a new Director of Missions before making a decision on the parsonage. However, there was no motion to change the minutes and they are to stand as read.

The following reports were given:

1. TREASURER - Buford Griffin, Treasurer, referred to his printed report. He explained that the large amounts in miscellaneous income and miscellaneous expense was due to the love offerings for the retired Director of Missions and for Forest Hills Baptist Church.

2. SUNDAY SCHOOL - Rev. Mike Whitson, Sunday School Director, stated that the ASSISTeam has been trained to teach the module "Training Sunday School Workers in Evangelism" and that they would be glad to come and share this training with any of the churches in teaching a workshop or seminar. He encouraged attendance of the Sunday School Directors at the Associational Key Leadership Conference.
3. CHURCH TRAINING - In the absence of Rev. Bobby Seagroves, Church Training Director, Rev. Grant reported that the Associational Church Training Tournament was held at Monroe, First Baptist on Sunday, April 27, 1986. The following churches had children participating in the Children's Bible Drill: Sandy Ridge, Fairfield, Lee Park, Oakland, Shiloh, and Antioch. Fairfield Baptist had two in the Youth Bible Drill. He encouraged churches to begin Church Training if they do not already have it.
4. WMU - Mrs. Floyd Helms, WMU Director, reported that new work has been started in some of the churches.
5. BROTHERHOOD - Gene Williams, Brotherhood Director, reported that the annual RA track meet was held on April 19, 1986, at Forest Hills High School and expressed his thanks to all of those who helped put on the meet.
6. MUSIC - Kenneth Griffin, Music Director, asked that he be notified if any of the churches had special music they would like to have used in the annual associational meeting.
7. GENERAL BOARD - John V. Williams, General Board Member, reported that he had attended the General Board meeting which consisted of normal business matters. He did report that there were a lot of prayer requests for the Southern Baptist Convention.

Rev. Earl Henry, Vice-Moderator, was recognized to present the following recommendations from the Council.

Rev. Henry recognized Rev. Ollis Revels, chairman of the Finance Committee, with the following recommendations:

1. That a housing allowance of $9,000 be included in the budget for a new Director of Missions. This would be approximately $6,500 increase in the budget, as approximately $2,500 is already in the budget. The recommendation was seconded and carried.
2. There were three requests from the Covenant Prison Ministries as follows: (1) that the Association grant $1,000 to the Prison Ministry; (2) that $200 per month be put in the budget for the ministry; and (3) that the Association underwrite a monthly mailing of approximately 400 newsletters under our permit for the ministry. The Finance Committee felt that an extra sheet from the ministry could be included with the regular associational newsletter for about three months until the ministry's Board of Directors could work out some other arrangements. Al Lewis of the Covenant Prison Ministry and his people would do all of the work. The committee recommended that the Association grant the $1,000 to the ministry; however, the committee felt the $200 per month should not be considered at this time but that it could be considered for the budget for next year. The recommendation was seconded and it was clarified that the $1,000 is a grant and not a loan. The motion carried.

Rev. Lawrence Funderburk, chairman of the Christian Relations Committee, was asked to address the committee. He stated that the committee did not have a recommendation but he recognized Rev. George Gouge with the following recommendation: "Because we have seemingly reached a stalemate on the issue of Monroe, First Baptist Church and Wingate Baptist Church on their methods of receiving members, and because there are other vitally important issues that we need to concern ourselves with; I make a motion that (1) we, the Executive Committee, by written word from our associational Christian Relations Committee, encourage these two churches to seek to bring their constitution and bylaws into agreement with our associational constitution and bylaws on the matter of receiving members; (2) that our Associational Constitution and Bylaws Committee make a detailed study of our own constitution, in particular Article IV - 'Affiliated Churches,' and bring before us a clear, consise, and true statement on 'affiliated churches;' and that (3) this matter be dropped so we can concern our-

selves with doing what He has called us to do." The motion was seconded and Rev. Gouge spoke to the motion. There was discussion concerning the motion. It was decided that since the motion was in three parts, that each one would need to be made a separate motion. Rev. Gouge was in agreement to have the motion handled in this way and the second to the original motion was withdrawn. There was further discussion and Rev. Leonard Horne made a motion that this matter be dropped by the Executive Committee and be brought up at the annual associational meeting. The motion was seconded and it was clarified that the Christian Relations Committee would bring some type of report at the annual meeting. It was further clarified that the word "matter" is to mean the matter concerning the two churches, Monroe, First Baptist and Wingate Baptist. After further discussion, a question was called to cut off the debate, seconded, and carried. The orignial motion was restated as follows: that the Executive Committee drop the matter and request the Christian Relations Committee to bring a report to the Association. The motion did not carry.

Rev. Dade Sherman made a motion that the Christian Relations Committee study the constitution and bylaws as related to this matter and report back to this body as soon as possible dealing with clarification on the constitution and bylaws. The motion was seconded; however, it was out of order as Rev. Sherman was unaware that the Association has a Constitution and Bylaws Committee. Therefore, the motion was restated that the Constitution and Bylaws Committee study the specific area dealing with baptism and bring back some type of definitive report that we either change it or leave it as is or have some interpretation or clarification so that this body can act by the next Executive Committee meeting, seconded, and after further discussion, a question was called to cut off the debate, seconded, and carried. Before the vote was taken on the original motion, Rev. Grant read Article IV of the constitution and bylaws of which the motion deals with. Motion carried.

A motion was made to adjourn, seconded, and carried.

A special request was made for Rev. O. L. Yeargin, pastor of Forest Hills Baptist, and for the Southern Baptist Convention. Earl James closed the meeting with prayer.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

AUGUST 4, 1986

A special meeting of the Associational Executive Committee of Union Baptist Association was called on August 4, 1986, at 8:30 p.m. in the associational building. Rev. John Grant, Moderator, presided.

Rev. Steve Stewart gave the devotion from 1 Corinthians, chapter 13.

Roll call was given with 55 members from 39 churches.

Rev. Grant recognized Rev. Bill Culbertson, chairman of the Associational Search Committee, to bring a presentation from the Search Committee.

Rev. Culbertson gave a progress report from the Search Committee from the time the members of the committee were asked to serve to the committee's present recommendation. The committee unanimously feels, without any doubt, that Rev. Harry Poovey is God's man to come and serve as Director of Missions for Union Baptist Association. The committee met with Rev. John Grant, Moderator, to set a time to call a special meeting of the Executive Committee to present Rev. Poovey to the Executive Committee. This meeting time was set for August 4, 1986, and each pastor and Executive Committee member was mailed a letter advising of the meeting along with Rev. Harry Poovey's personal profile. Rev. Culbertson received a call from Rev. Poovey stating that he was reconsidering because he had received phone calls from three (3) pastors in our Association asking him questions. Rev. Poovey felt that the fair thing to do was to give all the members of the Executive Committee a chance to hear those questions asked and answered at the same time. He stated that two (2) of the pastors said that if he did not answer those questions then, that they would not only oppose his election at the meeting but that they would also not support him if the Executive Committee called him. He believed if

that represented the feeling of the Association, that neither he nor anyone else could serve God effectively in that environment. Therefore, he had declined to attend this meeting. There was an overall conviction from the Search Committee that since the Lord had led the committee to this man, that they had no choice but to go ahead with this meeting and to present their recommendation. Each and every member of the Search Committee is still convinced that it is the Lord's will that Rev. Harry Poovey be called to be Director of Missions of Union Baptist Association. The Search Committee takes strong exception to what has happened and that is has been an intrusion on the assignment that was given to the Search Committee. Therefore, the Search Committee asks the Executive Committee of Union Baptist Association to give the Search Committee its vote of confidence and join it in requesting that Rev. Harry Poovey appear before the Executive Committee in view of a call to be Director of Missions of Union Baptist Association, assuring him that he will receive a fair and unprejudiced hearing.

Rev. Earl Henry, Vice-Moderator, was recognized to bring the following motion from the Associational Council and Associational Search Committee:

> The Associational Council makes the motion that we reaffirm our commitment to the Associational Search Committee that we invite Rev. Harry Poovey to come and to be interviewed in view of being called as a possible Director of Missions.

There was a second to the motion and the floor was open for discussion. Rev. Culbertson clarified the fact that the motion was not to vote on calling Rev. Poovey but to vote on inviting him to come for an interview before the Executive Committee. After some comments, Rev. Grant asked if everyone understood why Rev. Poovey did not come for this meeting. At this time, Rev. Henry restated the motion from the Associational Council and Associational Search Committee.

A question was called to cut off the debate, seconded, and carried.

A vote was taken on the original motion and the motion carried.

There being no further business, a motion was made to adjourn, seconded, and carried.

Rev. Mike Whitson closed the meeting with prayer.

Rev. Grant advised the Executive Committee that they would be notified of the meeting with Rev. Harry Poovey.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

SEPTEMBER 16, 1986

The regular meeting of the Executive Committee of Union Baptist Association was held on September 16, 1986, at 8:00 p.m. in the associational building. Rev. John Grant, Moderator, presided.

Rev. Claude Connell gave the devotion from Psalms 19 and led in prayer.

Roll call was given with 61 members from 38 churches.

Minutes were read and approved.

The following reports were given:

1. TREASURER - Buford Griffin, Treasurer, referred to his printed report.
2. BROTHERHOOD - Gene Williams, Brotherhood Director, reported that there will be an Associational Brotherhood Workshop on October 14, 1986, from 7:30-9:00 p.m. at Indian Trail, First Baptist. There will be three (3) certified teachers from the state, and the workshop will be for Baptist Men and RA leaders.
3. WMU - Mrs. Floyd Helms, WMU Director, stated that she had enjoyed being the WMU Director during the year. She gave a report of the work she had done.
4. MUSIC - Kenneth Griffin, Music Director, reported that the first rehearsal for the associational choir will be September 29, 1986. There will be an associational-wide musical in April before Easter at Wingate College entitled, "The Day He Wore My Crown." Plans are also being made to have a three-night Music Reading Clinic.

Minutes of the special called meeting on August 4, 1986, were read and approved.

It was announced that Rev. Harry Poovey will be presented to the Executive Committee on Thursday, September 25, 1986, at 8:00 p.m. in view of being called as our Director of Missions.

A request was made from Rev. Grant that at any time anyone has a motion or an amendment that it be in writing.

Rev. Albert Hinson, chairman of the Constitution and Bylaws Committee, was recognized to present the following amendment, or addition, to the Constitution under Article IV, paragraph three (3), "Affiliated Churches:"

> The present paragraph reads: All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testaments as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.
>
> The proposed addition reads: and will accept for membership Christians that have professed their faith in Jesus Christ and have been baptized by immersion only.

There was a second to this proposal, and the matter was open for discussion. Any change to the Constitution cannot be made by the Executive Committee, but has to be made by a two-thirds vote of the Association in session. After some discussion, a question was called to cut off the debate, seconded, and carried. There was a vote of 27 in favor of the proposal and 11 against. The motion carried.

Rev. Earl Henry, Vice-Moderator, was recognized to present the following recommendations from the Council:

1. Rev. Grant was recognized to present the tentative calendar for 1987 with one change as follows: the Associational Key Leadership Conference would be held on September 15, 1987, and the Council and Executive Committee meetings would be moved to September 22, 1987. This calendar was recommended for adoption, seconded, and carried.
2. Buford Griffin, Treasurer, was recognized to present the proposed budget for 1986-87. After explaining all changes to the budget, Mr. Griffin moved that this budget be adopted, seconded, and after some discussion, a motion was made to amend the budget to delete the Prison Ministry from the budget, seconded, and the amendment did not carry. The motion then carried to adopt the budget.
3. Buford Griffin recommended, on behalf of the Finance Committee, that $3,000 be reserved from savings for the World Missions Conference in March 1987. The recommendation was seconded and carried. Rev. Grant stated that the cut off date for those churches wishing to participate in the World Missions Conference would be the last of October.
4. On behalf of the Trustees and the Finance Committee, Buford Griffin recommended the purchase of a word processor, printer, and label dispenser to be used in the associational office at the approximate cost of $3,700. The purchase of this equipment would come out of the current 1985-86 budget. The recommendation was seconded and carried.

Rev. Grant referred to brochures that were available at the meeting and would be available for the messengers to the annual meeting entitled, "Guidelines for Messengers."

Rev. Henry stated that there was one other matter brought to the Council that needed further study.

Rev. Grant also referred to the program for the annual meeting that was available for those in attendance.

Questions were asked concerning the moisture problem in the basement and the growth of weeds in the parking area of the associational building. The Trustees are aware of both problems.

There being no further business, a motion was made to adjourn, seconded, and carried.

Rev. Glenn Rushing closed the meeting with prayer.

SEPTEMBER 25, 1986

A special meeting of the Associational Executive Committee of Union Baptist Association was called on September 25, 1986, at 8:00 p.m. in the associational building. The purpose of the meeting was to have Rev. Harry Poovey presented to the committee in view of being called as Director of Missions for Union Baptist Association. Rev. John Grant, Moderator, presided.

Rev. Bobby Seagroves gave the devotion from Ephesians 4 and led in prayer.

Roll call was given with 79 members from 46 churches.

Rev. Grant recognized Rev. Bill Culbertson, chairman of the associational Search Committee. Rev. Culbertson then introduced the members of the Search Committee as follows: Rev. Culbertson serves as chairman; Mr. Wendell Price, vice-chairman; Mrs. Floyd (Carolyn) Williams, secretary; Rev. Ollis Revels; and Rev. Earl Henry. The Search Committee comes with the unanimous recommendation that Rev. Harry Poovey be called as Director of Missions of Union Baptist Association. He then introduced Rev. Poovey and his wife, Vivian. Rev. Poovey was presented to share his testimony.

Afterwards, on behalf of the Search Committe, Rev. Culbertson moved that we call Rev. Harry Poovey as Director of Missions of Union Baptist Association, and the Associational Council joins the Search Committee in making this recommendation. The motion was seconded, and everyone present was given an opportunity to ask Rev. Poovey a question. After each one was given this opportunity, the procedure of questioning was repeated. After this time of questioning, a question was called to cut off the debate, seconded, and carried. Rev. Poovey asked to be dismissed during the time of voting. Rev. Grant stated that the pastor and one lay representative from each church and the Associational Council would be allowed to vote.

A motion was made that the vote be taken by secret ballot, seconded, and the vote did not carry.

A vote was taken on the original motion to call Rev. Harry Poovey as Director of Missions of Union Baptist Association. The vote was 50 in favor and 22 opposed.

A motion was made to adjourn, seconded, and carried.

Rev. Grant asked that all those who are willing to make a commitment to God to support Rev. Poovey if he accepts the call to stand.

There being no further business, Rev. Bill Culbertson closed the meeting with prayer.

General Board Report

I am happy to report that North Carolina Baptists are alive and well. The progress being made in our Convention is very impressive.

As of September 22, 1986, our Cooperative Program receipts were up 6.58 percent. Also, Home and Foreign Missions giving has increased.

The new wing at Caraway is now debt free.

As of August 31, 1986, our total indebtedness was $286,151; all to ourselves.

In November the Convention will be asked to approve a proposal to build a three story 33,000 square foot "self contained" adult conference center at Caswell. It will be similar to the one at Caraway with 33 bedrooms, four bedroom suites, one efficiency apartment, five classrooms, a dining room that will accomodate 200 people, and a wrap around porch.

There are many other exciting things happening that limited space will not allow me to elaborate on. I just simply urge you to get involved and learn more about our Convention and what God has done, is doing, and is going to do.

Respectfully submitted,
Mr. John V. Williams,
General Board Member

Missions and Outreach Committee Report

This committee has been involved in assisting several churches during the year. This committee requested that a special offering be taken in January for Forest Hills Baptist Church to assist them in securing needed Sunday School space. We thank each church who took part in this offering.

We also talked with three other pastors and churches; one interested in church relocating, another in seeking admission to the Association, and one wanting information about the Association.

We request your prayers for this committee during the coming year as they seek to assist existing churches, plant new churches in needed areas, and begin specialized ministries.

Music Report

Looking over the great source of talent that God has blessed Union Baptist Association with, I wonder if He is pleased with what we have done with it. I think not. Too many times we are satisfied with just getting by, but we should aim for the top and be satisfied with nothing less.

In looking at our music program throughout the Association, I find many areas we need to work in:

1. Attendance
2. Dedication
3. Music Reading
4. Learning new music
5. Working to full potential with what we have to work with
6. Better cooperation with our sister churches.

In this new church year, let us strive to give our best, our all, and to use the talents God has given us.

I stand ready and willing to assist any church in our Association that may need help in their music program.

Respectfully submitted,
Mr. Kenneth H. Griffin, Director

Ordination Committee Report

During this year, the Ordination Committee of the Union Baptist Association has questioned four (4) candidates for the Gospel Ministry: Tommy Walden (Mountain Springs Baptist), Bobby Lee Lowman (Wingate Baptist), Claude Phillip Rivers (West Monroe Baptist), and Gene Helms (Indian Trail, First Baptist). The committee was pleased with the apparent seriousness of the calling and the doctrinal strength of these men. In each case, the committee recommended unanimously that the churches proceed with ordination.

There were a number of non-committee members who observed and participated in the questioning of these candidates.

The committee feels we have been blessed by our contacts with these dedicated men who are committed to the Ministry of the Gospel of our Lord, Jesus Christ. We are grateful to God for them and have pledged our prayers and support as they go out to serve our Lord!

Respectfully submitted,

Prison Ministry Report

There are 142 inmates at the Union County prison unit. An average of 35 to 40 men per service attend the Wednesday and Sunday morning services. Some of the men have been attending for over three years, and some of the men have moved to Camp Green in Charlotte and are attending regular services there.

A spring cook-out was held on June 6, 1986, and four different groups came to sing that day. Another cook-out is planned for October 10, 1986, with singing.

Fifteen (15) men were baptized in June of this year.

The Christmas party will be held December 17, 1986. The men are already asking if we will be bringing those good cakes again this year.

In March 1985 a group comprised of two pastors and five lay persons formed Covenant Prison Ministries. The original vision God gave was to form an association of churches from all denominations to affect ministry to prisoners, ex-prisoners, and their families in Union and Mecklenburg Counties.

In February 1986 endorsement was received by the Union County Ministerial Association. Shortly thereafter, the original vision became reality. On June 17, 1986, representatives who were elected or appointed from each of 25 contributing churches elected a Board of Directors comprised of six pastors and six lay persons.

Rev. Al Lewis, Jr. was hired as executive director and given clear objectives to exhort and train the local church to minister to the least of these.

Churches have responded enthusiastically. Recruited volunteers have become prayer warriors, pen-pals, and family ministers. Some are visiting inmates on Sundays; others are finding jobs and supplying transportation.

Opportunity House is open with a 90-day program for recently released prisoners.

The Body of Christ is actively ministering to the least of these in a cooperative manner crossing over denominational lines to bring honor and glory to Jesus.

Respectfully submitted,
Mr. Oscar Helsm, Co-Chairman,
Prison Ministry Committee,
Mr. Donny Thomas, Rev. J. F. Cunningham

Cooperative Program and Stewardship Report

Are associations and the Cooperative Program related? Yes, especially during the month of October when both will receive special emphasis.

The churches in each association work together throughout the year in cooperative efforts to win the lost to Christ, and it is at the annual meeting that they get together to review their work and accomplishments of the past year as they look toward a productive year ahead.

It is at the annual meeting also that reports are given on the number of baptisms, the number of Sunday School and Church Training members, what new programs the churches are including, and the amount of offering given during the year both to the Cooperative Program and to special missions causes.

And October is a good time to be making reports about contributions because it is also Cooperative Program Month in the Southern Baptist Convention. It is the time when Baptists take time to reflect on what the unified giving program means.

The association and the Cooperative Program mean different things to different people, but mostly they mean working hand in hand to reach the lost.

The Stewardship Division is planning Bold Mission Stewardship Conferences in 1987, similar to those of 1986. Our goal is to have a conference in every association. Pastors, church staff, and one or two lay persons are the target group.

Respectfully submitted,
Rev. Earl Henry, Chairman,
Cooperative Program and Stewardship Committee,
Mr. Terry Smith, Rev. Harold Owens

Sunday School Report

Southern Baptists experience a unique posture within our county. We are indeed a mighty force for carrying out the Great Commission of Christ. At the same time we live our lives in a part of the global mission field to which we are called. Today as never before in Union County "the fields are white already unto harvest."

How do we respond to so great a challenge before us? Challenge 10/90 NC is a five year plan whereby Southern Baptists can . . . and will . . . respond to the people of this state.

Challenge 10/90 NC focuses on reaching people, developing believers, and strengthening missions. It calls for the very best in Christian service from every North Carolina Baptist, every local church, and every Baptist entity.

Having completed one of the most intense successful five year growth periods ever through the Sunday School's 8.5 by '85 enrollment emphasis, North Carolina Baptists are ready to embark on an even greater challenge as we bring to a close the decade of the eighties.

With a clear, Biblically-based mandate to reach even more people than ever before, Challenge 10/90 NC will be our major continuing growth emphasis for 1986-90. Convention-wide goals will serve to undergird and support local church and associational goals to continue the pace set by 8.5 by '85. Challenge 10/90 state-wide goals have been set in 12 key areas of successful Sunday School work.

These areas are: Enrollment Increase, Attendance Goals, Prospects Discovered/On File, New Units Started, New Workers Enlisted, Ongoing Weekly Worker's Meetings, Leadership Diplomas Earned, Ongoing Visitation Programs, Witnesses Trained, Outreach Bible Studies Begun, New Sunday Schools Started, and "Standard" Sunday Schools Achieved.

YOU CAN BE A PART . . . of the dream to claim our state for Christ! While enrolling people in Sunday School is not the last step in leading a person to Christ, it can be the first step!

Respectfully submitted,
Rev. Mike Whitson,
Sunday School Director

Woman's Missionary Union Report

"Multiply the Vision" is the theme for Woman's Missionary Union this year. *Multiply*: To greatly increase in numbers, particularly as it relates to both witnessing and enlistment as major thrusts for WMU. *Vision*: A sense of spiritual renewal as it relates to enthusiasm for missions and the mission tasks of WMU. The emphasis is to lead each person, each family to embrace God's future for His church.

We had 64 churches at the beginning of last October. Ten (10) of those churches had no mission work. I have contacted each pastor of these churches and have worshipped with some of them. The pastors have been very cooperative and hope to start mission work soon. These churches have started some mission work this year: Emmanuel, Secrest Grove, and Fellowship. Waxhaw, First has reorganized, and Euto has started Acteens and GA's. I have given materials to all the pastors who do not have mission work, hoping and praying that every church in our Association will have mission work soon.

Our watchword for 1985-86 is "All over the world this gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth." (Colossians 1:6b NIV)

I attended the training conference at Caraway with all our council members except one. Every council member led her conference in the leadership training in our Association. We had a large attendance.

I attended the centennial celebration in Raleigh, the state meeting in Charlotte, and the Key Leadership Conference at Ridgecrest. I also attended WMU Week at Ridgecrest and the Southern Baptist Convention in Atlanta, Georgia.

We observed World Day of Prayer with the emphasis for every church to observe a day of prayer in their churches. We, along with the churches in our Association, also observed 100 Days of Prayer with the emphasis to continue to pray always.

We promoted the centennial birthday celebration. Most of our churches celebrated the centennial with a birthday party with all the candles, cake, punch, etc. Some dressed the way they dressed 100 years ago.

Our council voted to help with the special lunch at Wingate for the retarded in our county. Our council also voted to send $100 to Forest Hills Baptist to help rebuild their building that was destroyed by fire.

Our Mary Blair Scholarship Fund gave $400 each to Paul Annette Duncan of Lakeview Baptist and Brian Douglas Sherwood of Wingate Baptist.

The annual WMU meeting was held at Hillcrest Baptist. We thank this church for letting us meet there. Dr. and Mrs. Charles Hoover, volunteer missionaries, were our guest speakers.

The Key Leadership Conference was held at Shiloh Baptist and our Leadership Training was held at Oakland Baptist. We thank these churches for letting us meet there.

We had directors for all the organizations in our Association and they all gave reports at the end of six months. Following are some of the things they did for the first six months: Baptist Women and Young Baptist Women held a prayer retreat and four manual studies. Baptist Young Women Director, Mrs. Teresa Stewart, led a class on "Witnessing Women." She went to Austin Grove Baptist, Union Baptist, and Fairfield Baptist sharing her testimony and leading classes on Lifestyle Witnessing. She also led in two manual studies representing three churches. Acteens Director, Miss Andrea Rorie, held her first associational meeting October 7 at Faulks Baptist. The second meeting was held at Sardis Baptist on January 27. GA Director, Mrs. Brenda Godwin, went to Corinth Baptist to work with their GA leaders on October 1. On November 9 the G-A-tivity was held at Sutton Park Baptist. Their mission offering was given to Mission Air, a service provided for persons not able to pay the cost of flight to a hospital for special services.

Mrs. Dan Napier, Mission Friends Director, led the Mission Friends Conference in the Association. She had a workshop for Mission Friends leaders and encouraged churches to have Mission Friends. Mrs. Myrtle Marks, Mission Study Director, taught the Foreign Mission book

and encouraged all churches to study missions. Mission Action/Personal Witnessing Director, Mrs. Sheila Davis, put together a booklet of the needs and persons to contact in the county. "Show and Tell" was taught on February 27. She also led her conference at Oakland Baptist. Mission Support Director, Mrs. Verna Funderburk, taught Mission Support at the leadership conference. She taught the Foreign Mission study course at Mt. Pleasant Baptist, Mill Creek Baptist, Lee Park Baptist, and Mt. Zion Baptist. She taught the Home Mission study course at Mt. Pleasant Baptist, Hillcrest Baptist, and Trinity Baptist.

Enlistment/Enlargement Director, Mrs. Gloria McLean led her conference with Enlistment/ Enlargement Directors from six churches. Woman's Missionary Union has a vision of two million women, girls, and preschoolers enrolled in missions education by September 1988. Miss Verla Griffin, Centennial Chairperson, gave a good report on 100 years of missionary work. Union County had its first permanent Woman's Missionary Society organized in 1897.

Our associational officers have done a wonderful work this year. I cannot mention all they have done. I shall always think of you as "God's Servants."

We are proud of the work that is being done in our churches. Our youth need so very much to be trained in missions. We hope that you will continue to grow in attendance and have all the organizations in your churches.

I received my Associational WMU Leadership Diploma after reading the six books required. They were checked by different ones; the Minister of Education at Monroe, First Baptist, Miss Becky Hartzog; Director of Missions, Rev. Ellis Marks; and WMU Director at Monroe, First Baptist, Mrs. Opal Faulk. I borrowed all the books but one. I had to buy one, *WMU—A Church Missions Organization*. I have given this book to the Union Association to start a list of all the books required for the Associational WMU Leadership Diploma. ***But Our Situation is Different*** has been added. If you have any of these books listed below and want to donate them, we will appreciate them. They are:

A Baptist Association: Churches on Mission Together
A Church on Mission
Associational WMU Manual
WMU Manual or Age-Level Manual
The Enlistment Book
The Mission Action Book

These books will be in the associational office and may be checked out to read, but please return them so others may read them. I hope every council member will get her Associational WMU Leadership Diploma. On the achievement guide, you can check number 18 in Elective Actions.

My church, Monroe, First Baptist, has been such a wonderful help to me. They sent me as a messenger to the SBC in Atlanta. Our WMU sent me to Ridgecrest 1985-86. I am Mission Friends leader and they have it in their budget to send their leaders to Ridgecrest. I went to the Missions Friends Conference from 8:30 to 10:00 a.m. and from 10:30 to 12:00 noon I went to the WMU Conference. The state sent me to the Key Leadership Conference at Ridgecrest. I want to thank all of these and the Association for all their help and prayers.

Our hymns of the year are: "Stir Thy Church, O God, Our Father" and "Open My Eyes That I May See."

"We Are Laborers Together With God." Our Associational WMU is Distinguished.

Respectfully submitted,
Mrs. Floyd Helms, Director

Youth and Campus Ministries Report

North Carolina Baptists have some form of ministry on 47 college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the directio of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and Associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and Associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring five student leaders from these BSU's joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for international students, campus evangelism training and Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for High School Seniors, a leadership conference and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSU's and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars, are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who, in God's power, are our future, thank you!

The Associational Youth Committee planned the annual Associational Youth Rally. Youth from various churches helped lead the rally which was held at Benton's Cross Roads Baptist on March 15. Rev. Steve Ackerman from Charlotte was the featured speaker.

The committee also conducted the Youth Bible Drill held at Fairfield Baptist. Two (2) youth participated and one of them qualified for the state tournament.

It was an exciting year for campus ministries, as the report shows.

Constitution

of the
Union Baptist Association

ARTICLE - NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) therof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Women's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI - EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex officio member of the Associational Council.

The Vice Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The Chairman shall bring to each meeting of the Executive Committee a report of its work.

*The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

He based his message on Ephesians 4, beginning with verse 1 and emphasized the associational theme, "United In Christ", and that Christ is unique and we can be united in Christ if we are willing to let go of self. The things that unite us are far more important than the things that divide us.

> The paragraph presently states "When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee". The alteration would be: to delete "recommend to the annual Association" and add "during the 1987-88 fiscal year only". This was made a motion and seconded. However, the second to the motion was out of order as it was not needed at this time. Because the motion deals with the Constitution, it has to be presented the first day of annual session and dealt with on the second day.

Rev. Albert Hinson, chairman of the constitution and Bylaws Committee was recognized. He thanked the members of the committee for their service during the year. On behalf of the committee, he thanked the Director of Missions, Rev. Clarence Vassar, and the associational secretary-clerk, Mrs. Mildred Tucker, for their help in preparing the Constitution and Bylaws Committee report. (This report is found in the report section of these annual minutes.) Because the report deals with changes in the Constitution and Bylaws, it had to be read on the first day of the annual session and will be dealt with on the second day. Because the Constitution and Bylaws Committee had been instructed to draw up job descriptions on the various committees of the Association, changes in the Constitution and Bylaws were necessary. Rev. Hinson read the report and action will be taken on the second day of annual session.

Albert Hinson, chairman of the Constitution and Bylaws Committee, was recognized to bring recommendations from the Constitution and Bylaws Committee that were read on the first day of annual session. He expressed his thanks to those serving on the committee.

Recommendation 1 - A motion was made that this recommendation be adopted, seconded, and it was stated that this would require a ⅔ vote since it is a Constitutional change. Motion carried.

Recommendation 2 - A motion was made to adopt this recommendation, seconded, and there was a question as to how the two members of this committee who would be rotating off each year would be nominated. There was an amendment to the motion that the Moderator appoint the two that would be rotating off each year, seconded, and the amendment carried. The original motion as amended carried.

Recommendation 3 - A motion was made to adopt this recommendation, seconded, and carried.

Recommendation 4 - A motion was made to adopt this recommendation, seconded and carried.

One correction that needed to be made to the report from the Constitution and Bylaws Committee was that the chairman of each committee shall give at least a seven day (not 48 hours) notice to committee members of any meeting.

As another matter of miscellaneous business, Rev. Ron Riddley, chairman of the Missions and Outreach Committee was recognized with a recommendation from the Missions and Outreach Committee as was presented on the first day of annual session (Proceeding #16). Because of the action just taken to delete Article IX of the constitution, this Article becomes a Bylaw. Therefore, the Missions and Outreach Committee recommends that an amendment be made to this Bylaw in this manner:

> "When such need has been determined, the Committee shall, with the approval of the Executive Committee, during the 1987-88 fiscal year only purchase lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee." (This amendment would delete "...recommend to the annual Association...")

This amendment was seconded, and it was stated that the reason for this is that during 1987-88 the Missions and Outreach Committee, along with the approval of the Executive Committee, will be able to purchase land to be used for new church starts. This will not require the Association to have a special called meeting or have to wait until the annual session before land can be purchased. This authority would be given to the Executive Committee.

The question was asked to why this change was being made just for one year. Rev. Robert Martin requested that it go on record that he is opposed to adjusting the constitution for just one year. He is is not opposed to what is being done, but feels that it sets a bad precedence. He made an amendment to this amendment that would delete the one-year stipulation. The amendment was seconded. At this time, the Moderator stated that when a vote is taken on a change, the change takes place after the benediction. The vote on the amendment carried.

The recommendation from the Missions and Outreach Committee was then stated as being:

> "When such need has been determined, the Committee shall, with the approval of the Executive Committee, purchase such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee."

There was a second to this and the motion carried.

After further discussion, a motion was made that the Executive Committee of the Association work out the wording consistent with what will go with the Constitution and Bylaws. The motion was seconded and carried.

70. In memory of our beloved dead, Mrs. Glenn Rushing read Scripture from Exodus 3, basing her remarks on this passage. As she read the memorials from each church a printed on a separate handout, members from each church in attendance were asked to stand in memory of their beloved dead. She led in prayer.

71. Rev. Vassar expressed his appreciation to Moderator Grant and Vice-Moderataor Horne. They were asked to stand and were given an applause. He also asked Rev. Ellis Marks and Mr. Earl Underwood, former Directors of Missions, to stand. They were given an applause. He thanked Philadelphia Baptist and Faulks Baptist for hosting the annual session. He then asked all the pastors to stand. He made a request for the remaining church letters to be in the associational office. He also promoted the World Missions Conference at this time. This will be held February 28-March 6, 1988.

72. Rev. Vassar made a motion that we dedicate our 1987 Annual Minutes to the memory of the three (3) pastors who were deceased during the year. Those being, Rev. Glenn Rushing, Rev. O. L. Yeargin, and Rev. John Long. The motion was seconded and carried.

73. Moderator Grant asked that we add an extra 30 minutes to our morning session.

74. Congregational hymn, "The Solid Rock".

75. Special music was brought by Mr. Isaiah Mejia playing a piano medley, "Claire de Lune - Jesus Loves Me".

76. Moderator Grant introduced Rev. Ned Matthews, pastor of Parkwood Baptist Church in Gastonia, to bring his message. Rev. Matthews based his message on Ephesians 6:17-20.

77. Rev. Bobby Martin gave instructions concerning lunch and blessed the meal.

78. Moderator Grant asked Mr. Earl James, newly elected Moderator, and Rev. Leonard Horne, re-elected as Vice-Moderator, to come and stand. He asked for everyone to give them their support. He expressed his thanks for the opportunity of serving as Moderator.

American Bible Society Report

A young man recently inducted into the Army feels lonely and a bit frightened. From reading a Bible handed him at the chapel, he regains self-assurance and confidence.

A girl away in college feels lost and a little apprehensive until her roommate shares a copy of God's Word with her.

As the cell door closed with a clang, a man, beginning to believe the prosecutor's words that he is an enemy of the people, was sure nobody loved him. It was then he opened a New Testament given him by the chaplain during orientation.

She was getting old. Being placed in the nursing home was probably best for her. She picked up the Bible placed on the table beside her bed. In it, she found hope.

All of the above received Scriptures supplied by the American Bible Society. In 1986, the American Bible Society shared more than 100 million copies of Scriptures, not only with people facing traumatic changes in their lives but with people of all ages and in all circumstances of life across the United States. The diversity of Scriptures available to the people in the United States through the American Bible Society was evidenced by the distribution of God's Word in 80 different languages through sales at the Bible House in New York City.

Around the world Bible Societies are active in Scripture translations in 558 languages.

The American Bible Society makes the Scriptures easily available to people in the United States. This task is accomplished with the constant and continued support and prayers of dedicated churches and individuals who are concerned about the spread of God's Word throughout the world. Contributions may be sent through the North Carolina State Baptist Convention or directly to the American Bible Society, 1865 Broadway Street, New York, New York 10023.

Respectfully submitted,
Marian Hume, ABS Director

Baptist Children's Homes of N.C. Report to the Association

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to mor effectively deliver services to children and families. Intentionalized Services will focus o specific tasks needed by our clients in order to regain their ability to function as a whol or independently in society.

2. Moody Home Ministries, an intensive program of "friendship therapy" to trouble girls, was opened in Macon County. We are grateful to our Lord and to the people of Wester N.C. in realizing this dream in 1987.

3. The process of Long-Range Planning, which in today's complex world of child car can only extend up to five years was begun. As a basis for this LRP, accreditation by th National Association of Homes for Children was awarded in 1987. We are only one of thre AHC accredited child-care institutions in North Carolina. We believe you share in thi accomplishment.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for thei willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Hickory-Lenoir Family Services Area:

During the first six months of 1987, there has been a dramatic and consistent increase in the demand for the services of the Baptist Children's Homes of N.C. in the Hickory-Lenoir area. The majority of the referrals come from school counselors, juvenile court counselors and the Department of Social Services in our eleven county area. With the opening of Moody Home Ministries, an intensive program of "friendship therapy" for troubled girls, two girls from the Greater Hickory-Lenoir area were the first to be admitted to this service.

Our staff continues to be excited about the positive relationships with the professional agencies in our area as well as with our Baptist friends. We look forward to the addition of a social worker to better meet the needs of hurting children and their families.

Through your faithful prayers and generous gifts, we continue to be laborers together for God, thus we are grateful for the opportunity to serve with you.

Baptist Foundation Report

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

The Foundation promotes endowment of Christian causes with an assurance drawn from its experience with donors that such planning for the future in no way minimizes "now" witnessing and giving. Just the opposite has been the case; the faithful steward is faithful in every area. The statistics, dollars and facts of this report are truly about the people whose impassioned concern for mission and ministry has resulted in positive action.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and Wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is important that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. The Foundation does not operate as a bank or investment institution. However, one exciting realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family" use, if they desire.

In cooperation with the state convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September. 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

North Carolina Baptist Hospital Report to the Associations - 198

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,32 days of patient care. More than 1,000 of those patients had heart surgery and 27 receive kidney transplants. During this period, the hospital also performed its first heart transplan and, as of June 1, 1987, has performed four sucessful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter The lithotripter has also been used to break up gallstones. Baptist Hospital was the firs hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly traine pilots and flight nurses," continues to save lives and to contribute to more rapid and com plete recovery for many victims of trauma. For example, Air Care made it possible for man whose arm was severed in a hay mowing accident to reach the hospital in time to hav his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinel transplanting living bone tissue. A woman underwent this rare procedure to correct an ar thritic condition in her hip where her bone tissue had died. Bone tissue with its own bloo supply was successfully transplanted from her lower legs to the upper end of the right femur

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatien clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Depart ment of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastora services for hospital patients, pastoral counseling, clinical pastoral education, and humar enrichment events. In addition, the department, in cooperation with the Baptist State Con vention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center an has provided assistance to more than 100 pastors and their families through the Minister' Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital receiv ed during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospita Offering in May of 1986, together with designated gifts, brought the hospital a total o $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year were $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist Churches, the hospital trustees, staff and patients are deeply grateful.

Baptist Retirement Homes of North Carolina Report

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize

Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. During 1986-1987, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

The Biblical Recorder
Report to the Association - 1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder!*

The state Baptist paper for North Carolina always tries to tell it like it is - the good, the bad, the victories and the warts - with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain - only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

Brotherhood Report

The laos as a whole is God's possessions, chosen not for privilege alone, but for the privilege of service. All His people, both clergy and laity, must strive for the goal, that Christ called us for, "to be His people in this day"!

We are indeed grateful to our Lord for the interest in, and the enthusiasm for, all the projects which our Associational Brotherhood Department undertook this year. A Brotherhood workshop was held in October, and the second Pinewood Derby was held in February. Both of these events were hosted by Indian Trail, First Baptist Church to whom we are very grateful. This spring our sixth associational track meet was held at Forest Hills High School. Many boys and girls participated. We thank Tommy Threatt and Jack Regans for the excellent job they did directing the meet. Many of our boys went to the state meet, scoring second in overall points for our Association.

Men and boys from our Association were involved in many different missions this year. Some of the Homeland Projects were return trips to West Virginia, work on mission churches in Stanly and Mecklenburg Counties, and renovation work at Caswell. Others were involved in Resort and Recreation Ministry, Overseas Missions and other missions.

I cannot tell you how much I thank you for allowing me to serve you as Brotherhood Director for the past five years. It is with heartfelt pleasure that I recall the kind hospitality shown by each of you!

Christian Higher Education Report

Gardner-Webb	Wingate	Meredith	Campbell
1905	1896	1891	1887

Mars Hill	Chowan	Wake Forest
1856	1848	1834

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.
2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.
3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.
4. Most said they learned about the colleges through the *Biblical Recorder.* The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.
5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."
6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

More About North Carolina Baptist Colleges

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist College. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broadbased education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST CHURCHES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

Campbell University Report

"The Annual Session of the Local Association"

Campbell University is alive and doing well!

In May we graduated one of the largest and one of the most promising classes ever to walk across the stage and receive their diplomas. For this we are grateful to God.

Having completed our Centennial year and now into our 102 Convocation, we feel that this will be a banner year also.

Campbell is not waiting for students to come to us. We are going where they are. And if they are not able to attend classes in the day time - night classes are provided. At the present time Campbell University has a very large school on the Fort Bragg Reservation, the Marine Corp Air Station, Camp Lejeune, Jacksonville, NC, Seymour Johnson Air Station, Goldsboro, NC, Western College, Rocky Mount, NC, Peace College, Raleigh, NC, Central Carolina Technical College, Sanford, NC, Baptist College, Cardiff Wales and Tunku Abdul Rahman College, Kuala Lumpur, Malaysia. Campbell is out there where the action is!

Let us report that, in addition to a thriving undergraduate program, it causes us to feel good to report that our graduate program is doing well also.

Campbell's Law School is known, literally, across the United States and around the world for its fine performance. Its enrollment is overflowing. The new School of Pharmacy, now in its second year of performance, has an overflowing enrollment and two years from now will be graduating the first class of Doctors of Pharmacy who will make their contribution in the field of medical and pharmaceutical research.

The Lundy-Fetterman School of Business bows its head to no one. We are proud of her graduates who fan out everywhere to help guide the economy of the world.

Our newest school, the graduate program in Education, is now in position to grant the H.D.

If time would permit, there are many good things we would like to share with you about ur university. Come to see us and let us show you first hand.

N. Larry Baker, Executive Director

During the past year the Christian Life Commission elected a new Executive Director, ontinued its fight against gambling and hunger and increased its initiatives on abortion, ornography and other moral concerns related to families.

In January, Dr. N. Larry Baker was elected as the fourth Executive Director of the moral oncerns agency. He succeeds Foy Valentine who stepped down from the top post because f health problems and assumed a new position as Executive Director for Development. Baker, former Vice President for Academic Affairs and Dean of the Faculty at Midwestern Baptist Theological Seminary, took the reins of the Commission on March 15. He was for- nally installed a week later during the Commission's national seminar on "Critical Issues Facing Today's Families."

The annual seminar of the Commission attracted 600 participants from throughout the outhern Baptist Convention. Nationally recognized speakers addressed a wide range of amily issues including teenage suicide, aging, AIDS education, child abuse, and teaching noral values in the home and in the church. A conference for youth ministers addressed he theme "Moral Problems and Youth."

The problem of abortion received high priority as the issue became a major staff assign- nent. The Commission sponsored a national consultation on alternatives to abortion designed o chart new courses of action in the fight against abortion. The Commission also produced nd distributed eight new abortion-related resources designed to help in the observance of anctity of Human Life Sunday and to strengthen ongoing anti-abortion efforts.

Similar information and resources were provided to help Southern Baptist churches observe our other special emphasis days on the denominational calendar. In addition to the Sancti- y of Human Life Sunday, the Commission produced support materials for Race Relations unday, Christian Citizenship Sunday, the Day of Prayer for World Peace and World Hunger Day. The hunger emphasis continued to be aggressive as the annual Awareness/Action Guide vas sent to all pastors and Directors of Missions.

An increased number of conferences were held in partnership with state conventions. These included a state conference on moral issues in Illinois, regional conferences in Virginia nd South Carolina, and leadership training conferences in Virginia and South Carolina.

Anti-pornography initiatives included a conference in Los Angeles, publication of two ew pamphlets and production of a videotape on pornography. The Commission also pro- ided staff assistance for a new Broadman film and videotape entitled "Combating Por- ography."

Sales and distribution of Christian ethics materials increased by more than 65 percent, etting an all-time high. The past year marked another record as the circulation of *Light* ncreased to more than 19,000.

Church Training Report

The 1986-87 year was a good one in Church Training in Union Baptist Association. O November 24, 1986 we had our annual "M" Night Meeting in the West Monroe Baptis Church. We had 200 people present with nine churches represented. Rev. Roger Nix, pasto of the Temple Baptist Church in Raleigh, brought the message.

On March 21, 1987 we observed our Associational Youth Night in the Shiloh Baptis Church with 150 young people present. Mr. Doug Berky, a mime artist from Wake Forest was our featured speaker.

On April 26, 1987 we had our Associational Drills in the Trinity Baptist Church. W had excellent participation. Those in the Children's Bible Drill were: Antioch-Scotty Cox Patrick Duncan, Faith Pressley, Casey Baucom. Fairfield-Renee Helms, Marlo Hasty, Stac Hasty, Teresa Spittle, Kevin Chaney. Lee Park-Tonya Martin, Kera Kelly, Marty Autry Mt. Moriah-Emily Timmons, Jennifer Martin, Shannon Martin, Lauren Sims, Deanna Smith. Oakland-Tiffany Rushing, Shelley Chapman, Ginger Polk. Sandy Ridge-Wesley Spurlock, Douglas Helms. Shiloh-Tonya Thomas, Lori Lockamy, Leigh Keaton, Briar Deese, Grant Lyerly, Julius Price.

In the Youth Bible Drill were: Fairfield-Tony Faulkner, Carmon Carelock, Donna Bradley, James Jenkins, Steven Wright. Lee Park-Peaches Kelly, Bubba Kelly, Christy Lockamy. Mt. Moriah-Paul Tomberlin, Larry Melton.

In the Youth Speakers' Tournament: Sandy Ridge-Dawn Collins.

We want to encourage more of our churches to participate in the 1987-88 Drills. Begin now and it will be fun and bring many rewards.

If your church does not have an organized Church Training Program, contact our Director of Missions and talk with him about organizing one soon. What people are not up on they are down on. Church Training will make a difference in the life of your church. Paul said in Ephesians, the fourth chapter, that the Christian is to be a maturing, growing, developing person. Our one great objective is to be like Jesus Christ. Call upon your Associational Church Training workers if we can be of help to you. Thank you for allowing me to serve you as Church Training Director for Union Baptist Association the past two years.

Constitution and Bylaws Committee Report

In the last session of the Executive Committee of the of the Union Baptist Association, the Executive Committee instructed the CONSTITUTION AND BYLAWS COMMITTEE to draw up job descriptions for the various committees of the Union Baptist Association, Having studied the constitution and bylaws, the CONSTITUTION AND BYLAWS COMMITTEE presents the following report. There are three (3) recommendations which should be voted on separately and one (1) recommendation dealing with the entire jobs description voted upon as a unit.

The recommendations will be underlined and the explanation for the recommendation follows each recommendation.

RECOMMENDATION 1

WE DELETE ARTICLE IX OF THE CONSTITUTION DEALING WITH THE NEW CHURCH COMMITTEE. Reason for this recommendation is that this committee has not functioned for several years nor has it been nominated and elected. The purpose of this committee has been carried out by the "MISSIONS AND OUTREACH COMMITTEE." The "MISSIONS AND OUTREACH COMMITTEE" has been elected for the past several years, but we have not found anywhere this committee was authorized by the association,

but we feel this title would be more in keeping with the total mission work of our association than the "NEW CHURCH COMMITTEE." Even as late as the last annual meeting of our association, the "MISSIONS AND OUTREACH COMMITTEE" presented its report and a resolution was introduced to mobilize the "NEW CHURCH COMMITTEE" to carry out its function as listed in ARTICLE IX of the constitution, but there was no such committee, therefore, this task was assigned to the "MISSIONS AND OUTREACH COMMITTEE" to do this work which it has been doing for the past several months. Therefore, in light of our practice over the past several years we are recommending that we delete Article IX of the construction and give this responsibility to the "MISSIONS AND OUTREACH COMMITTEE" as well as listing other responsibilities for the "MISSIONS AND OUTREACH COMMITTEE." This recommendation will state what we are presently practicing. (This will require a two-thirds vote since it is a constitutional change).

RECOMMENDATION 2

WE RECOMMEND THAT THE COMMITTEE ON COMMITTEES BECOME A STANDING COMMITTEE AND IT CONSISTS OF SIX (6) PEOPLE. Reason for this recommendation - presently this committee is appointed by the Moderator and it is appointed within 10 days following the annual meeting which the Moderator is elected. It is now composed of five members from different churches and is automatically dissolved following the annual meeting. The "COMMITTEE ON COMMITTEES" this year has suggested that we change this to a Standing Committee which would consist of six people and it would rotate as other Standing Committees. The "COMMITTEE ON COMMITTEES" feels that there should be some continunity within this commitee each year since it is responsible for nominating all the other standing committees and yet the "COMMITTEE ON COMMITTEES" becomes a new committee each year. The "COMMITTEE ON COMMITTEES" feels that there should be some input from the previous years in order that it can function at a higher level and involve more people and churches of the association. The present "COMMITTEE ON COMMITTEES" feels since it has such a great responsibility that it needs experience from the previous year as well as the wisdom of past leaders. (This recommendation will require only a majority vote since it is a bylaw change).

RECOMMENDATION 3

WE RECOMMEND THAT ARTICLE 15 DEALING WITH "REVENUE", ARTICLE 16 DEALING WITH "SALARIES" AND ARTICLE 18 DEALING WITH THE "FINANCE COMMITTEE" AND THESE THREE (3) ARTICLES BE DELETED AND CONSOLIDATED INTO ONE ARTICLE CALLED THE "STEWARDSHIP COMMITTEE." Reason for this recommendation - Article 15 indicates that the association has the authority to draw up a budget and then to collect the money from the churches based upon total membership. It appears here the association has the authority to collect the bill from the churches for the amount that is needed to operate the association rather than the churches having the privilege of designating their gifts to the association. Article 16 dealing with "Salaries" would be deleted because the annual budget includes the salaries and this is repetition only. We are recommending deletion of Article 18 of the bylaws dealing with the "FINANCE COMMITTEE" and to let this committee along with the other two become a part of the STEWARDSHIP COMMITTEE. Presently we have a conflict between article 18 and our practice. Our practice is that the Budget Committee presents the budget to the Executive Committee in September and then recommends it in the annual meeting to be approved. Our present article 18 states that this should be recommended to the Executive Committee and nowhere does it require that the budget be presented to the annual meeting. Therefore, we believe the article should require that the budget be presented in the annual meeting and approved in the annual meeting. This recommendation could prevent any misunderstandings in the future regarding the adoption of the budget in the annual session. (This would require a majority vote since it is dealing with a bylaw change).

RECOMMENDATION 4

WE ARE RECOMMENDING THAT ALL OF THE PROPOSED JOB DESCRIPTIONS BECOME A PART OF OUR BYLAWS. Reason for this recomendation: Many committees do not have a job description, therefore, the committees do not know what their assignments are and we believe these job descriptions will enable each committee to function at a higher level and improve the total work of our association. (These articles listing the job descriptions will require only a simple majority vote since they are additions to the bylaws rather than the constitution).

IMPORTANT INFORMATION

ARTICLE 26 under the BYLAW SECTION dealing with "AMENDMENTS" states "THESE BYLAWS MAY BE AMENDED AT ANY REGULAR MEETING OF THE ASSOCIATION BY A MAJORITY VOTE, PROVIDED THAT THE PROPOSED AMENDMENT HAS BEEN READ TO THE ASSOCIATION AT A PREVIOUS MEETING AND HAS BEEN REFERRED TO THE COMMITTEE ON CONSTITUTIONS AND BYLAWS FOR CLARIFICATION AND CORRELATION. ALL AMENDMENTS SHALL BECOME EFFECTIVE AT THE CLOSE OF THE MEETING AT WHICH THEY WERE ADOPTED. NO RESOLUTION ADOPTED BY THIS ASSOCIATION SHALL BECOME A PART OF THESE BYLAWS."

The "Constitution and Bylaws Committee" is aware of the above requirements and having discussed these matters the committee feels that we should have all of these changes printed and distributed to the churches several weeks prior to the Annual Meeting and ask the pastor, the executive committee member and elected messengers to read these changes prior to the Annual Meeting. Then at the annual meeting the "CONSTITUTION AND BYLAWS COMMITTEE" would read the first three (3) recommendations on the first day of the annual sessions and would ask that the bylaw requiring that all of these job descriptions be read on the first day be set aside for the purpose of saving time. If all of the job descriptions are read in the annual session, it will probably take at least thirty to forty minutes on the first day and then if they are voted upon separately, this will require a great deal of time on the second day of the annual session. The committee would urge anyone having a question about any of the recommendations and job descriptions to ask the question even if the annual session votes to set aside Article 26. The committee will be happy to answer any question that might occur.

SUMMARY OF THIS REPORT

Recommendation 1 - would be read on the first day of the annual session, voted on the second day and would require a two-thirds vote to pass.

Recommendation 2 - would be read on the first day of the annual session, voted on the second day and would require a majority vote to pass.

Recommendation 3 - would be read on the first day of the annual session, voted on the second day and would require a majority vote to pass.

Cooperative Program and Stewardship Report

There are many very helpful stewardship resources available to our churches through the Union Baptist Association office and through the office of Stewardship Development and Cooperative Program, North Carolina Baptist Convention. The Associational Stewardship Committee is always willing to assist our churches in developing a stewardship program. We would welcome the opportunity to assist upon your request.

The churches of Union Baptist Association continue to have an outstanding record fo contributions through the Cooperative Program and other special missions offerings, in cluding associational and local missions. We give thanks to our Lord Jesus Christ for th faithfulness of His people, the family of Union Baptist Association.

Our annual Bold Mission Stewardship Conference was held April 7, 1987 at Quincy Steak House with a good representation of our churches present. The emphasis in 1987 wa on Christian Money Management. The Stewardship Division is planning Bold Mission Con ferences again in 1988 with the primary emphasis on Distinctives of a Christian Lifestyle Other programs will also be discussed at these conferences. Your church may be intereste in conducting a stewardship conference in areas such as: Ministry-Action Budgeting, Pro grams for promoting the Budget, Accounting, Money Management, or Planned Growth in Giving. A staff member of the Stewardship Division will be happy to assist and provid materials for these conferences.

In order to challenge us to further development of our stewardship responsiblilites, th churches of Union Baptist Association are challenged to:

-Elect and train a Stewardship Committee and establish an ongoing stewardship promotion through preaching, teaching and use of stewardship resources from the Association and State Convention.

-Have a representation of church stewardship leadership attend annual Bold Mission Stewardship Conference (date, time and place to be announced).

-Contribute at least three percent-five percent of undesignated receipts to the Association missions programs as suggested by the Budget Committee.

-Increase commitment to our Baptist mission causes through increasing Cooperative Program gifts by ½ percent per year, depending on the level of present percentage. A 10 percent minimum commitment through Cooperative Program gifts is suggested as a guide.

Annual Report of Covenant Prison Ministries

God has richly blessed our ministry to "the least of these" this past year. It is a great time to be a Christian and it is a great time to be a Baptist in Union County. I am proud that our denomination initiated the founding of this interdenominational church operated ministry.

It is a significant contribution to the building up of the Body of Christ when one denomination takes the leadership role in bringing the Church together in unity to "remember...them which suffer adversity", (as though you yourselves were suffering with them). That contribution does not eclipse the success we have had winning new souls for the Kingdom; recruiting, training, and equipping volunteers for ministry; meeting physical needs of hurting families and small children; developing great working relationships with many agencies of the judicial system; and making Disciples.

We doubled our active church participation to forty and found our half-way house (Opportunity House) at nearly full capacity all year long. Weddington United Methodist Church has donated a building which we are moving this month to be renovated into a permanent five bedroom facility for ex-prisoners to develop a responsible life-style gradually returning into the community. Several men's groups are already excited about working on this home. Two women's groups are gathering grocery boxes on a regular monthly basis and are each bringing over a home-cooked meal for the men one night a month at our existing rented home.

Sheriff Frank McGuirt has appointed our Executive Director, Rev. Al Lewis, Jr., to be the Union County Jail Chaplain.

Our main purpose is to exhort and assist the church in performing its call to minister to prisoners, ex-prisoners and their families. It is our job to assist the Union Baptist Association as well as others in doing their ministry.

Reverend Gene Helms, member Indian Trail Baptist Church and chairman of the Union Baptist Association's Prison Ministry Committee, was elected to our Board of Directors this year; thus, unifying our efforts and strengthening the Baptist leadership role.

We gratefully acknowledge the tremendous contributions by Reverend Ollis Revels, Pastor Benton's Cross Roads Baptist Church, for leading and establishing our ministry serving as our first Chairman of the Board. I recently was elected and graciously accepted the position of Chairman for the next term.

The following is a quick overview of current ministry activities. We have 70 Prayer Warriors on a monthly Prayer Chain. There are 40 Pen Pals. Five couples are visiting the prison on Sunday. Six churches are doing family ministry. Thirty families were helped. Jobs were secured for over 30 men and six women. Over 20 souls were saved. Many items of food, clothing, furniture, and five cars were donated and given away. Narcotics Anonymous weekly classes are being held. Regular monthly training is held for current and interested new volunteers. Support Groups meet for families who have a member incarcerated. Ex-offender Bible Study is held at Opportunity House.

Our full-time director coordinates these various ministry activities, preaches in the jail and prison, presents the ministry opportunities to local churches, and trains the church volunteers. He conducts a weekly early morning Discipleship/Support group for local pastors and lay leaders seeking a closer walk with our Lord. He is in great demand in the pulpit as a Supply Preacher for pastors who must be away or are suffering illness.

Our greatest needs right now are for secretarial help and construction help on our new home.

The Prison Ministry looks forward to serving you as we minister to prisoners, ex-prisoners and their families.

Thank you for the continued financial support to help carry out the ministry of Matthew 25.

Sincerely Yours in Christ,
Rev. Robert Taylor, Pastor
Oak Grove Baptist Church

Director of Missions' Report

These first five months have been spent in "getting acquainted". I have been meeting with your pastors (56), visiting your churches (44), meeting with associational committees (11), and have had many meetings with associational leaders and our Associational Council. Now with many facts in hand, there is a basis for "directing" in the years ahead. Directing as I understand it is a "Shared Ministry".

The great ship (Union Baptist Association) must be steered in the right direction to reac our goal of implementing the Great Commission. The need for emphasis on missions evangelism, new church starts, fellowship, mission ministries, and developing believers i evident. There is so much to claim our attention and energies.

Statistics never tell the entire story; but you probably would like to know how I hav spent my time directing:

Miles driven	5109
Church visits (worship, revivals, prayer meetings, etc.)	57
Sermons preached	23
Speaking engagements	6
Associational meetings attended	30
Visits (pastor and members)	26
DOM meetings	6
Office conferences	557
Committee meetings	26
Funerals attended	3
Survey work	11 trips

When you approve the new associational budget, you will note the 58 percent increase over the 1986-87 budget. This has been necessitated because you want to start new churches which is $28,000 or 66 percent of the budget increase, because we should do mission ministries (a new budget item) which is $4,300 or 10 percent of the budget increase, and the balance, $10,222, or 24 percent to cover increased cost of operation.

This new budget will require increased giving by our sixty-four churches. You indicated your willingness to do so when you extended the call for me to become your Director of Missions. This is a great challenge, but one I know you can meet. Your associational leadership has placed this challenge before you. UBA needs a stronger financial base to accomplish its ministry in this vineyard.

God's Word tells us that "where there is no vision, the people perish". Church and associational leadership must catch a vision of what must be accomplished in our midst. God's army must ever be on the advance. A vision of God's purpose gives us the direction of advance.

Vision leads us into the dreaming of dreams. The possibilities of ministry are all around us. We only need to open our eyes to the hurt of individuals. Jesus saw the hurting multitudes and had compassion on them. This must be our response also. I have a dream for Union Baptist Association. Please support me in that dream.

There are thousands of lost and unchurched individuals in our area. That number is growing every week. Every area survey I undertake leads to the discovery of new housing developments. Southern Baptists have a history of being a people of the BOOK and are noted for their evangelistic zeal. We must get busy doing our part in carrying out the Great Commission. Surely 64 churches can reach out and baptize more than four hundred in one year. I challenge our church leaders to consider a goal of 750 baptisms for 1987-88. We must catch a vision of the multitudes doomed to eternity in Hell if we fail our God-given mandate.

I urge every church leader to look to the BOOK OF ACTS for the prescription for growth. I'm convinced in my heart that God placed that BOOK in His Bible as a model for all New Testament churches. God intends for all of His churches to grow just as did those early churches. Reread Acts until you discover the secrets for growth and then put them into action in your church.

This is your Association. Get involved, that you will have the opportunity to shape its future and help it to become all God wants it to be. UBA has a great history, let's pray and work that its future will be even greater. Accept the challenge of the future and join hands with your brothers and sisters and move forward under God's leadership.

The work continues to be a great challenge. It has been good to visit your services, fellowship with you, and to discuss ways to improve our efforts in our labors for God. Please call on me and grant me the opportunity to assist you in carrying out the Great Commission in your corner of His vineyards. God bless you real good throughout the new year ahead.

Report of the Education Commission to the Southern Baptist Convention 1986 - 87

Arthur L. Walker, Jr., Executive Director-Treasurer

The Southern Baptist commitment to introduce Christian truth into every area of life makes the emphasis of the Education Commission increasingly important in today's world. This commitment is the basis for all that is done in Southern Baptist life in its educational emphasis. The study of the 21st century done for the Directions 2000 Project emphasizes that the current information era will place new demands on and thus emphasize the value of education. With the emphasis upon the need for greater education and the opportunities which will increase the availability of education in the closing years of the 20th century, there is likely to develop a counter movement which will make it more difficult for larger portions of the population to receive adequate education. In such a circumstance the service motive of Southern Baptist-related institutions of higher education will have a greater opportunity to be exercised.

The increasing pluralism of our society has required the rethinking of the real meaning of missions. Southern Baptists are increasingly aware that missions mean bringing individuals to confront the difference between their life-style and value system and the claims of Christianity.

Educational institutions which bring consideration of the decisions related to commitment and examination of personal and moral standards are increasingly demanded in today's society. It is the kind of emphasis that is encouraged and supported by the work of the Education Commission in its attempt to reinforce those institutions supported both by the Southern Baptist Convention and by the various state Baptist conventions.

Support—The 17 state conventions sponsoring schools and the Southern Baptist Convention increased their 1986 support to the schools by $3,696,959 for a total of $88,669,627. Of this amount $789,132 was given as an addition to endowment funds. Donations, gifts, and grants totaling $109,648,929 showed a decrease of $6,651,643. Endowment funds amounted to $1,173,893,839; property was valued at $1,442,952,847, making assets total $2,616,846,686. This was an increase of $257,098,200. Endowment increased by $181,040,611 and property value by $76,057,589.

Church Vocation Volunteers—Church vocation volunteers totaled 22,542 for 1986-87.

Evangelism Report

Union County is growing. The population now stands at 81,000. The projection for the future is staggering. Are we going to meet the challenge?

Jesus said; "Behold I say unto you, lift up your eyes, and look on the fields; for they are white already to harvest." He is saying to us, "look at the fields, they are ripe, the harvest is ready, how many will go." The problem is not the means to do it or the people to carry it out, but are we willing to do something about it.

We have recorded in our 1986 minutes 20,056 members of our Baptist Churches. At the same time last year we baptized only 438. It took 46 Baptists to win one person to Jesus Christ. We all should be ashamed of this record. Let all of us pray that God will give us another opportunity to do something about the situation.

March the 24th of this year we had our Evangelistic Rally at Lee Park Baptist Church. Dr. Mark Corts, pastor of Calvary Baptist Church, Winston Salem, and his Associate, Dr. Gary Chapman were the main speakers. The Balltzgliers from Georgia led us in Music for both services. Both services were very inspirational and informative.

God has blessed, not only Union County Baptists, but all North Carolina Baptists. He continues to do so through evangelism. Rededications in revivals last year were at an all time high. We thank God for all this, but what are we doing to keep this fresh in our minds at all times.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will continue to rise each year.

Respectfully submitted,
Rev. Claude Connell, Chairman
Evangelism Committee
Mr. Gene Simpson, Rev. Mike Whitson

The Council recommended that the Constitution and Bylaws Committee be instructed to include job descriptions on all the committees that we are presently staffing. The recommendation was seconded and carried.

2. The approach to associational giving is on a percentage basis. He recommends three to five percent.
3. To make as individual churches or individuals, an over-and-above offering for land purchase.
4. Do not require between now and October 1, 1987 that he be able to give 90 percent justification for any move. There hasn't been enough time, but he doesn't think we can afford to wait a full year to begin making moves.

Rev. George Gouge was recognized, representing the Missions and Outreach Committee. The committee needs money to be able to put a binder on possible land purchases for new work. This would avoid the possibility of losing the opportunity to purchase land

until the Association could take action. A recommendation was made that $10,000 be used by the Missions and Outreach Committee as binders on one or more pieces of property. The motion was amended to set aside $25,000 as binders, seconded and carried. The motion as amended carried.

Rev. Grant stated that consideration needs to be given to the Constitution concerning the fact that property can only be purchased by the Association in annual session.

A motion was made to adjourn and Roland Ennis closed in prayer.

General Board Report

This has been an eventful year for Baptists of North Carolina, and it would be next to impossible to mention everything. Some things that I feel are significant are: (1) Fruitland Bible Institute becoming the responsibility of an agency of the General Board; (2) the plans for a multi-purpose building at Caswell; (3) approval of plans for a new Retirement Home in Winston-Salem that will include 140 residential apartments, 36 personal care beds and 85 intermediate/skilled nursing beds.

We also saw a change in leadership in our Music Department with the retirement of Mr. Charles Gatwood and being succeeded by Mr. Charles Storey.

Please continue to work and pray regarding the horse racing that is being promoted for our state.

Respectfully submitted,
Mr. John V. Williams,
General Board Member

Missions and Outreach Committee Report

Since becoming a member, in the middle of our fiscal year, and inheriting the positio as Chairman of this committee, our first reponsibility was to increase the number of member serving.

At the request of last year's annual session, two retired ministers have been added to th Missions and Outreach Committee. These men will serve as active members of this com mittee for three consecutive years. They are Rev. Joe Larrimore and Rev. Vance Edwards

For the past five months the energy of this committee has been directed to the westerr part of our county. There has been a tremendous growth pattern in these areas with numerou houses already completed and inhabited. Hundreds of houses are under construction anc many lots are being made available for additional single family dwellings.

It is the opinion of this committee that many opportunities are available for Southerr Baptists in these areas. Therefore, we have been exploring the possiblity of purchasing land in strategic locations to better enhance ministry possibilities. We are convinced there is a need for the Union Baptist Association to establish mission churches in these afore men tioned areas.

We request your prayers for this committee as we continue to work in mission ministries.

Music Report 1987

Working with Charles Story, our State Music Secretary, we held a two-night reading ses sion at the Oakland Baptist Church for people who wanted to read music. We had 16 chur ches represented from the Association.

We did not accomplish all we wanted to do, but you were just great to work with. Thanks for all the help I received from the pastors and music directors.

I pledge to work just as hard for Isaiah as I did for myself.

Southwestern Baptist Theological Seminary Report

Fort Worth, Texas

Abstract of the 1987 Annual Report
to the
Southern Baptist Convention

Drew J. Gunnells, chairman of the board of trustees
Russell H. Dilday, seminary president

An examination of Southwestern Baptist Theological Seminary's vital signs shows the seminary in excellent health spiritually, academically and financially.

In the 1985-86 academic year, which ended July 31, 1986, Southwestern trained 5,070 student ministers on the Fort Worth campus, at off-campus centers in Houston and San Antonio, Texas, and Shawnee, Oklahoma, and at Hispanic Baptist Theological Seminary in San Antonio.

During the year, Southwestern awarded 954 degrees, diplomas and certificates. A total of 1,305 new students enrolled.

Southern Baptists' gifts through the Cooperative Program provided $7 million for this effort. Because of this lifeline, coupled with donors who give above the tithe, Southwestern continues to provide quality graduate theological education for a fraction of the cost non-Southern Baptist schools charge.

Upward 90, a five-year strategic plan for ministry in the 1990s, continues on schedule. Projects in this academic year included renovation of classrooms and offices in Scarborough Hall, curriculum revisions in all three schools and an increase in endowment.

A goal of raising $1.75 million for the Scarborough renovation was met during the year. Endowment at year's end reached $37.9 million, the seminary's highest total ever.

Trustees elected six to the faculty during the year: Dan Earl Clement, instructor in psychology and counseling; James Woodrow Walter, Jr., associate professor of adult education; Dan R. Crawford, assistant professor of evangelism and missions; Bob R. Ellis, instructor of Old Testament; R. Allen Lott, instructor in music history; and Lynda Poston-Smith, assistant professor of voice.

These additions increased the faculty to 202, including 102 elected faculty members a 100 supplementary teachers.

Also in the past year Southwestern:

-added nine new courses to meet changing needs of the churches;
-conducted 76 continuing education training events;
-reclassified 90 percent of the Roberts Library Collection from the Union system to t Library of Congress system;
-sponsored 17 mission awareness events with more than 1,500 participants;
-led a church planting practicum with eight professors and 125 students;
-involved 205 students in Operation Penetration, a week-long evangelism effort in ne areas during spring break;
-adopted a five-year strategic plan for Hispanic Baptist Theological Seminary;
-upgraded office equipment with automated technology;
-began a program of local church certification for students.

Sunday School Report

Looking back upon the 1986-87 church year with the theme "Go...Tell...Teach" as part of the Challenge 10/90 Sunday School efforts, surely there could not have been a bett place to begin than going, telling and teaching.

Encompassing all of the Great Commission within the framework of Sunday School the ultimate goal of any church. Using special workshops, called meetings, and personal se vice, the ASSISTeam made several attempts with much success to enable those participati churches to achieve that goal.

A look at the life of Jesus verifies that His life's ministry was spent in "Going, Tellin and Teaching". Sunday School is the greatest organization of the church to follow the pa tern that Jesus set for her. The teaching ministry equips the saints to enable them to tel and is designed to cooperatively motivate us to do the going.

Looking ahead to the 1987-88 associational year, we move into the theme of "Touch Lives Change People". What a remarkable description of the ministry of our Lord. He took tim to touch the woman at the well; He changed the Gadarene demoniac; He blessed and hel little children; He healed the man blind from birth; He interviewed Nicodemus at night He cleansed the leper. He responded to the needs of individuals at any cost or risk.

We are in the people business. Changing lives and touching people is our business. Ac cept the challenge to increase your enrollment, train workers, start new classes and Sunda Schools, begin workers' meetings, and set goals for each worker to earn his/her Sunday Schoo Leadership Diploma.

If we touch people's lives with the Gospel, God has the power to change them. D everything for the glory of the Resurrected Lord.

Trustee's Report

1986-87 was a year of some major changes in the property of Union Baptist Association. A special called session of the Association was held in January for the purpose of voting to sell or not to sell the associational house. The decision was to sell and the house was sold in March.

In a special called meeting in May, the Executive Committee of the Association voted to purchase a 1987 Ford 15-passenger van. The van was paid for from funds in the savings account with Heritage Federal Savings and Loan. Guidelines and regulations concerning the use of the van by our churches and Association were established and approved. A utility trailer that can be pulled behind the van when needed was also purcheased. The trustees requested that the Committee on Committees select six (6) persons, along with the Vice-Moderator as ex officio member, to serve on a Van Committee.

Office equipment purchased during the year has been a Canon copier, two file cabinets and and IBM Wheelwriter typewriter. These purchases were made in compliance with a previous request for the trustees to survey the needs of office equipment.

The associational building was repainted on the outside and the front wall of the basement on the inside was repainted. The trustees are checking into the cost for putting vinyl siding on the outside of the building.

A light was installed in the parking area at the back of the building.

Plans are underway for work to be done on the front of the outside of the building in order to correct the moisture problem in the basement area. Also, cabinets are to be installed in the work room of the associational office to provide storage space for supplies and to create a more efficient work area.

Woman's Missionary Union Report

During the year 1986-87, women were challenged to renew their commitment to discovering their spiritual gifts and using them faithfully in serving others. The watchword from I Peter 4:10 (NIV), "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms," suggests the emphasis for the year,

Gifted to Serve-Called to Act. The primary objective of the year was to challenge and equi members to identify and use their gifts in ministry and witness. A second objective wa to enlist women, girls and preschoolers in quality missions education through WMU organizations.

Fifty-five churches have reported having one or more WMU organizations during th year. These new organizations were reported: Acteens, Euto; Girls in Action, Euto an Lanes Creek (3rd GA organization); Mission Friends, Euto and Covenant.

The following associational WMU meetings were held:

October:	Baptist Women Prayer Retreat at Calvary
	Centennial Celebration honoring women who have been WMU member 50 years or more at Oakland
	Manual study for WMU, Baptist Women, BYW and Acteens leaders an officers at Hartis Grove
November:	Baptist Women's Day of Prayer at Piney Grove East Baptist Church wit Union County women of the General Baptist Association
	Manual study for GA and Mission Friends leaders at Associationa Building
	G-A-tivity at Oakland
	Associational Acteens Meeting at Roanoke
January:	BYW Prayer Retreat at Union Grove
February:	Associational Acteens Meeting at Sandy Ridge
April:	Annual Meeting at Sardis with Rev. Alvin E. Spenser, Jr., retired mis sionary to Okinawa and Japan, the missionary speaker
September:	Key Leadership at Oakland
	WMU Leadership Conference at Oakland

In addition, the Association was represented at these state and national meetings: Bap tist Women Serendipity, BYW Convention, State WMU meeting, State Acteens Conven tion, Mundo Vista Workday, WMU-SBC meeting, the Year of the Laity Conference at Caraway, Key Leadership at Ridgecrest, Associational WMU Officers' Workshop, WMU Week at Ridgecrest and GA and Acteens camp at Camp Mundo Vista.

The associational WMU participated in these activities: (1) two Mary Blair Scholar ships to Wingate College for 1987-88 awarded to Jodi James, Austin Grove Church, and Catheryn Leighann Parker, Union Grove Church, (2) noon meal for Special People Retreat at Wingate College, and (3) one hundred forty-three books of 20 postage stamps for the Christmas boxes for the NC Correction Center for Women.

ERRATA: Fellowship and Secrest Grove Churches did not start any WMU organiza tions in 1985-86 as reported in the 1986 WMU report.

The associational WMU is DISTINUISHED this year on the Associational Achievement Guide.

As members of Woman's Missionary Union, we must search our hearts and make them more fit for service. Through Bible study and prayer we develop a closer relationship with Jesus Christ which enables us to reach out to the world with God's love.

Respectfully submitted,
Marian Hume, Director

*The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

American Bible Society

In December 1987 the total number of Scriptures distributed by the American Bib Society since its founding 172 years ago reached five million.

The ministry of the American Bible Society throughout the United States in 1987 reache into all areas of American life—to school children, senior citizens, homeless, seamen visitin ports, people confined in hospitals and nursing homes, and those in correctional institution The need for the Word of God is great. The American Bible Society responded by providin more than 116 million Scriptures.

Major emphasis was placed on reaching youth with God's Word. A program called "A Now—Go With the Word" offers them an opportunity to join with other youth around th world in gaining the power to change and direct their futures in accordance with God's will.

Other distribution programs have included special imprint Scriptures; Scriptures in mo than 80 languages for ethnics; Scriptures for ministry to gypsies in Los Angeles area, the 10t Pan American Games in Indianapolis, Race Track Chaplaincy of America, and variou other ministries.

The work of the American Bible Society in translating, producing, and distributing th Scriptures was supported by Christians from every State. These people are dedicated to th task of reaching out to others with the Word of God. One donor wrote, "Helping to provid Bibles. . . helps me feel a part of God's work. . . . This is just one small way I have of pr claiming God's greatness." Each of us can have a part in this work by sending contribution to the American Bible Society.

Baptist Children's Homes of North Carolina
Report to the Association

You took the time, you cared. You gave much when you didn't have to. On behalf of Dr. ckwell, the children in care, our staff and trustees, thank you for your prayers, your caring l financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long-nge Plans. To continue being bold in child care, several challenges were accepted by our ff and trustees from the results of our five-year LRP. We plan to add two emergency care nes - another one on the Kennedy Home campus and one where the need is greatest. The meron Boys Camp will be expanded to care for 50 boys. Two specialized small group nes will be opened by early 1989 - a teenage mother-baby home and a behavior change gram for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions Miniature."

To meet these challenges and continue the current ministry to children, our budget must ve from seven million dollars (which it has been for five years) to 11 million dollars by 92-93. We hope that by 1993, the Baptists of North Carolina will be giving 50 percent of r daily operating budget. Currently we receive 34 percent. This can be achieved by in-asing church receipts through the Cooperative Program, the Homes and Hospital Offering d designated gifts from churches and individuals. The future of child care in North rolina is in the hands of the Baptists of our great state. We believe they will meet the llenge.

PDATE FROM THE CHARLOTTE FAMILY SERVICES CENTER:

We serve persons in Mecklenburg, Gaston, Lincoln, Cleveland, Anson, Cabarrus, Union d Stanly counties. We, as an area office of the Baptist Children's Homes of North Carolina, ntinue to strive for quality service for all the people who call upon us.

The Emergency Care Center, 9741 John Russell Road, is an emergency care facility for ls ages 6 to 18 years of age. Girls are allowed to stay up to 60 days at this facility while plans being made to re-enter the home or plan for more long-term care in a residential setting.

We wish to express our appreciation to persons within the churches who have donated ms to the Baptist Children's Homes through this past year. These items always help us serve our budgeted monies and place those monies for more needed emergency situations t occur within our day-to-day operations.

Please continue to pray with us as we minister to families, and please call on us in the arlotte office (704) 376-0452 or at the Emergency Care facility (704) 597-1747 if we can an-er questions or be of service to you or other members in your community that need the ser-es of the Baptist Children's Homes.

Baptist Foundation Report

For several years, Montagress Mercer has provided an example of estate stewardship whicl members of the Foundation staff have often related, but always without revealing her identity It was her wish that "nobody know." Mrs. Mercer died this spring. We can now share he name as well as her testimony. It was her wish that "Lottie" should have her farm. To ac complish that, the farm was deeded to the Foundation but she retained all benefit from it fo as long as she lived. As the plan for doing this was explained to her and the possibilitie unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happines has been justified. That which she desired is now a reality: the income from her trust will b paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Bap tist Foundation. Facts, figures and statistics have their place, but the people behind them ar the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person' total estate picture and assisting them in their complete plan of estate stewardship Sometimes, a person only wishes to make a modest gift in trust for one specific cause and ther is content. Often, however, the person realizes that both his family and Baptist causes he love can derive a greater benefit from his estate, if his plan includes all of it. It may require mor than one type of trust and nearly always a Will that capitalizes on the best possible planning One couple, utilizing the Foundation's expertise for total estate planning, rather than makin piece-meal plans and small bequests here and there, took full advantage of the tax law available for them and provided fully for their son *and* the Baptist causes which they desire to support. Their satisfaction now comes from a coordinated estate plan. It is in total estat stewardship planning, not in "getting a gift," that the Foundation renders the greatest ser vice.

The "unfunded" trust simplified planning for many persons in the past year and continue to provide a way to help meet the objectives of many stewards. The trust document i prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however until the individual is deceased. Then their Will provides the funding, most often the residua estate being assigned to the trust, hence the term "unfunded." The individual has the joy o having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Majorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

North Carolina Baptist Hospital Report to the Associations 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs...as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options, program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than 17 years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

The Baptist Retirement Homes of North Carolina, Inc. Report

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc. began operation in 1951 with charge to provide a Home for "Aged Saints" in the spirit of Christian care. The missio of the Homes continues to be that of providing quality residential opportunities for Old Adults within a Christian context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gosp is a message of healing and wholeness. The Homes believes this message offers Older Adul the meaning, purpose, and dignity needed to enrich their lives.

The hallmark of the Homes' ministry is the quality of its care. It is a distinction that present at all levels, in all locations, in all services. The Homes takes seriously its respons bility to make its residential opportunities available to Older Adults across the State and t be continually responsive to the needs of Older Adults as those needs expand and change.

With that in mind, the Homes operates facilities in locations across the State: Ashevil in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Souther Piedmont. A multi-level care facility in Winston-Salem currently services the needs Older Adults from all over the State.

Older Adults have differing needs, and the level of care for any single individu necessarily changes as time passes. It is for this reason that the Homes offers independer living in an apartment setting, personal care for those who require some assistance wit daily living, and two levels of nursing care.

II. NEED

According to a January 1987 Report of the Office of State Budget of the State of Nort Carolina, the number of North Carolina citizens age 65 and over will increase by 203,93 (28.9 %) by 1995 and 286,831 (40.6%) by the year 2000.

Statistics for the North Carolina Baptist Older Adult Population are even more dramatic The percentage of increase for the 80-plus age group in Baptist Life (those individual most likely to need residential care) is predicted to be more than 50 percent by the year 200 Attempting to address this great challenge, the Baptist Retirement Homes has launched bold new program of development and ministry that includes the following:

1. THE DEVELOPMENT OF REGIONAL CONTINUING CARE RETIREMEN COMMUNITIES.

   A five-level continuing care retirement community (Brookridge) is now unde construction in Winston-Salem. Land for that same purpose has been purchased i South Charlotte. Planning for the development of similar communities has begun i Asheville and in Eastern North Carolina.

2. THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY.

   In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundatio to study the feasibility of establishing a volunteer-based Home Health Care progra that will enable frail Older Adults to continue to live independently in their home with some assistance.

   The Homes believes that the ability to remain in one's own home as long as possibl can benefit Older Adults by enhancing both their quality of life and their lifespan Fixed incomes and meager resources mean that Older Adults are also benefited a they seek to use their funds prudently: there will be no charge for the Home Healt Care services. The Homes also believes there is an enormous segment of the Olde Adult population that is not yet in need of residential care but does need the kind o "light nursing" that this concept of Home Health Care provides.

3. THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING.

The fastest growing segment of North Carolina Baptist life is the Older Adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care.

Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church-owned parsonages or have been given housing allowances, thereby never developing home equity, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later years. The Homes feels a particular commitment to these individuals and has responded as much as the parameters of its Benevolent Care Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With e support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn ose opportunities into the kind of reality that will meaningfully service the needs of the lder Adults of our State.

The Biblical Recorder
Associational Report - 1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old ying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to prac- e both!

In a rapidly changing world, it is more important than ever before that Baptists be well in- rmed which is not easy in an age that is complex, busy and competitive. But we must never rsake the ideal.

Baptists, like the population in general, are watching more television and listening to more dio than they are reading. Somehow it just seems easier to watch and listen than read and ink, but we must be informed and involved in the work of the Lord as Baptists do it. . . . if e are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and eater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs it also gives opportunity for Baptists to freely exchange points of ew. Baptists do not have a hierarchial form of church government and operation. Every rson is important and opinions are valid in direct proportion to the accuracy of information on which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be aintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest ssible cost, there will be no increase in subscription rates for 1988. If your church does not ve the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription r the year. Special introductory offers are available. Please contact:

Christian Action League of North Carolina, Inc.
Annual Report to the Associations - 1988

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING—The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a statewide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for statewide office in N.C. that embrace such proposals.

We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the N.C. General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, when you elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING—Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but go bypassed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

ABORTION—The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in N.C. have been met with legislative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, N.C. remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

TOPLESS DANCERS—There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing *minor* girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

When legislation of this nature cannot pass our N.C. Senate, perhaps you can understand the dilemma facing our state. It is quite evident that we are electing legislators according to party label rather than on moral principles. Unless there is a turn-around, the future looks bleak for moral and ethical issues.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayer and financial support as we join with you in being "salt and light."

North Carolina Baptist College Report - 1988
Council on Christian Higher Education
Baptist State Convention of North Carolina

WHAT IS A BAPTIST COLLEGE?

FIRST, Baptist colleges are *colleges*, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

SECOND, the word *"Baptist"* tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

THIRD, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

Church Training Report

The year 1987-88 was a good year in Church Training, and 1988-89 is expected to be ev better. There were several areas of growth which were very encouraging.

Our Associational "M" Night was held on November 16, 1987, at Shiloh Baptist Chur and was well attended with 115 from 11 churches. Maurice Cooper, Director of Chur Training of the North Carolina Baptist State Convention, was the featured speaker a brought a very inspiring message. Melissa Thomas provided the special music.

Our Associational Youth Night was held on March 19, 1988, at Oakland Baptist Churc There were 12 churches represented with 110 youth attending. Rev. Tony Brewington fro Pembroke, North Carolina was our guest speaker and spoke very effectively to the needs our youth. Brother Brewington and his wife also brought our special music.

On April 24, 1988, our Associational Bible Drills were held at Indian Trail, First Bapti Church. There were 20 children from six churches who participated in the Children's Dri There were 13 youth from four churches who participated in the Youth Drill. We did not ha a participant in the Better Speakers' Tournament. Many of the winners from our Associatio went on to become state winners. Congratulations to all who were church, associational, ar and state winners.

On July 26-27, 1988, Suthell Walker, a new start worker with the North Carolina Bapti State Convention, came to our Association to consult with pastors and/or Church Trainin Directors concerning new starts in Church Training. She gave glowing reports of the e thusiasm with which she was received and the progress made.

On September 27, 1988, our Association hosted a Bible Skills Rally at Lee Park Bapti Church led by Children's Worker, Doris Morgan, and Youth Worker, Wendy Minton, bot of the North Carolina Baptist State Convention. There were 15 churches and three associatio represented and 40 in attendance. It was a very informative rally with all who attended bei challenged to either begin new work in their churches or strengthen already existing work.

I hope that each church in our Association that does not presently have Church Trainin will give us an opportunity to show you how you can benefit from Church Training. Churc Training can certainly make a difference in your personal life and in the life of your church.

If there is any way that the Church Training Team can be of help to you, please call th associational office and let us know. We're here to serve you.

Cooperative Program Report

Most Southern Baptists have heard the words "Cooperative Program" many times over. These words have appeared in numerous Baptist periodicals and church bulletins, and have been talked about in many church business meetings, association meetings, and Baptist Conventions since the Cooperative Program began in 1925.

Even though we may have often heard about or read the words, many Southern Baptists do not understand their meaning. The following concise explanation is given in hopes that some of your questions about the Cooperative Program might be answered.

The Cooperative Program is the plan through which Southern Baptists support the ministries they are doing together.

The Cooperative Program is the way one church puts its money together with the money from other churches to share in all of the Southern Baptist programs of witnessing, teaching, healing, and preaching in the United States and throughout the world.

The Cooperative Program is a partnership between churches, state conventions, and the Southern Baptist Convention. While churches carry on their work locally, they also support many other ministries for Christ in their communities, and around the world through the Cooperative Program.

Cooperative Program support begins with the individual giving through a cooperating church. Each member decides how much money to give to his/her church.

The next step for the Cooperative Program is in the local church. In business meetings church members decide how they will spend the money by adopting a budget. They decide about the pastor's salary, educational materials, building expenses, and all that the church will do to make Christ known locally. Each church also makes the important decision of how much it will give to be used in other parts of the world. Many churches give 20 percent or more of their annual budget through the Cooperative Program. Each church makes its decision as it prays about its responsibility in sharing in all the work that Southern Baptists are doing together. The Cooperative Program funds always go beyond the local church in cooperation with other churches in the convention.

The next step takes place at the annual state convention meeting. Messengers from the cooperating churches decide how to spread the Cooperative Program funds that have been received from the churches. The state conventions have their own cooperative work within the state. Therefore, a percentage of the total Cooperative Program funds remains within each state convention. The remaining percentage is sent to the Southern Baptist Convention for use in the United States and throughout the world.[1]

The next step happens at the annual meeting of the Southern Baptist Convention. Messengers from the churches approve Cooperative Program fund divisions for all the work that Southern Baptists support.

So, the offering dollar starts on its trip in the home of each Baptist. It then goes to a Southern Baptist church. Depending on what the local church members decide, some of the money stays in the church, and the remaining of the money is sent as a gift of the church to the state convention office. There, a part of the money stays in the state, while the rest of the money is mailed to the Southern Baptist Convention office. From there the money is distributed according to the Southern Baptist Convention budget which is adopted by the messengers at the annual meeting.

Southern Baptists can be thankful that at every step they have a part in deciding how to spend their money for the Lord's work. The local church, the state convention, and the Southern Baptist Convention give regular financial reports on how they spend the money.

Southern Baptist Churches undergird the work of 20 Southern Baptist Convention Agencies through their support of the Cooperative Program. These agencies are the channels through which the cooperative funds reach people. The list is long. Students in six Southern Baptist seminaries and more than 7,000 home and foreign missionaries and their families receive the funds. Men and women, boys and girls in more than 100 countries around the

world receive the message of God's love through missionaries who go to live among them. would be hard to find a Southern Baptist anywhere who has not received help fro Cooperative Program funds in some way.

What can I do to be a part of the Cooperative Program?

* I can consider prayerfully the amount of money I give through my church each wee and search for additional ways to grow in my giving.
* I can encourage my church to support more work beyond the local community an to look for ways to make more money available for world needs.[2]
* I can pray for church, state convention, and Southern Baptist Convention leaders a they seek to discover needs, plan budgets, and distribute Cooperative Program funds.
* I can pray for all the ministries supported through the Cooperative Program - fo those who lead these ministries and for those who are reached by them.

[1]. The division of funds of the basic operating budget for the North Carolina Baptist Co vention is 64.5 percent to the state convention and 35.5 percent to the SBC.

[2]. Cooperative Program gifts made to the North Carolina Baptist Convention throug September 22, 1988, were $18,160,659, a shortfall of $122,189 (.64 percent) compared to th same period in 1987, according to a report in the *Biblical Recorder* (October 8, 1988).

Director of Missions' Report

God has blessed Union Baptist Association in so many ways in these past 12 months. Ma we rejoice and give thanks to our Heavenly Father. Here are some points of rejoicing:

1. A GOOD FINANCIAL YEAR - $94,786 on a $97,241 budget. The churches in creased their giving by 16 percent ($75,680 total).
2. TWO TEN-ACRE TRACTS of land located for new church site.
3. A "NEW WORK PROBE" was completed on March 28, 1988, indicating we nee to get busy planting churches (four now, three more tomorrow) and nine ministr points needing cultivating.
4. A STRATEGY PLANNING STUDY was completed. You will vote on this at annua session. It will give Union Baptist Association direction for a minimum of five years.
5. A CHURCH PLANTER has been located. This is another matter to be voted a annual session.
6. OUR COMPUTER is "Booted up!" Please look at your newsletter label.
7. CABINETS have been added to the workroom. A great improvement.
8. EVANGELISM improved (approximately 500 baptisms).

Praise God for all He has accomplished in our midst.

The year 1988-89 should be another year of growth. All program organizations are wel staffed. These will provide many excellent training opportunities for church elected leaders These church leaders will then improve the quality of church work and, thereby, reach th lost multitudes and disciple them.

Most of us are bored by statistics. But you probably want to know how I spent my tim directing:

Miles driven	14,186
Church visits (worship, revivals, prayer meetings, etc.)	98
Sermons preached	32
Speaking engagements	7
Associational meetings attended	48
Visits (pastor and members)	45

DOM meetings	18
Office conferences	1,392
Committee meetings	76
Funerals attended	3
Survey work	23 trips
Sao Paulo (planning, training, trip, etc.)	7

The new budget ($127,929.72) will require increased giving by our 64 churches. That will ıke Baptists sit up and take notice. Before you panic, remember that three percent support our churches would mean $165,000 to underwrite our budget. If you believe in what we are out, help get your church on the three percent track.

This is your Association!!!! Get involved, then you will have the opportunity to share its ture and help it become all God wants it to be.

One deep concern as we move into the 1988-89 year is church growth. I am convinced that proximately 70 percent of our churches are on a plateau (Attendance has not varied much in ı years.). Church leadership must think growth and lead in aggressive evangelism and sciple the results. There are lost multitudes in Union County (52 percent of the county pulation). Are you concerned?

The challenge in Union Baptist Association is great. Pray that God will grant me wisdom d strength as we labor together in Union County.

Respectfully submitted,
Rev. Clarence O. Vassar, Director of Missions

Evangelism Report

Being witnesses for Christ can never be mistaken as optional. The church is the only ganization in the world established for the non-member. Once we belong we are mandated God to share the Good News with those outside the faith.

In a year when we have seen such dramatic falls of the media ministers, as well as ominent men of God in pulpits across America, cynicism has reached an all-time high. As arren Wiersbe recently said, "I'd rather be a struggling Christian in an imperfect church ın a perfect sinner outside the church."

Statistics reveal that over half of Union County will confess to attend any church, and only percent of them will be in church any given Sunday.

We have the right message of who God is, what He did at Calvary, what He is doing in the rld today and what He will do in the future. Our basic motive for preaching that message ıst be solely to please God. With that we can go on. Our method in presenting that gospel ould be as Jesus and Paul to "persuade" the lost to make responsible decisions for Jesus rist, stripping the lost one's ability to save himself yet never taking away his responsibility obey the commands of our Lord.

The year 1987-88 saw 509 precious people follow the Lord in believer's baptism. With a ong commitment to evangelize our county for Jesus, let's reach forward and see even more mmitments for the coming year.

This consisted of sending fo teams into all the county to do a "windshield survey" and to talk with anyone we saw co cerning their church relationship and to look at the areas of growth. We found needs that mu be addressed immediately in Sandy Ridge, Vance, and Goose Creek Townships. After caref study of information gained in the PROBE we felt our two greatest needs were in the Weddin ton and the Goose Creek areas.

At the June Executive Committee Meeting we brought a recommendation to purchase acres of land on the Marvin-Waxhaw Road in the Weddington area at the price of $15,000 p acre. This recommendation was accepted, voted on, and passed by the Executive Committee

On September 22, this committee met to discuss the possibility of a tract of land in th Goose Creek area for a future new work. This piece of land, consisting of 10.8 acres, lies .3 mil south of Highway 218 on the corner of Mill Grove and Crowell Dairy Roads. The cost will b $5,000 per acre. The committee voted in favor of making this recommendation to the Unio Baptist Association at this annual session, placing a $1,000 binder to hold the land.

Continue to pray for this committee in this most important outreach.

Ordination Committee Report

During this year, the Ordination Council of the Union Baptist Association has questioned three (3) candidates for the Gospel ministry. These candidates were: Jimmy Tarlton (Hamilton Cross Roads Baptist), Barry Byrd (Mountain Springs Baptist), and Lloyd Braswell (Hartis Grove Baptist). The committee was pleased with the apparent seriousness of the calling and the doctrinal strength of these men. In each case, the committee recommended unanimously that the churches proceed with ordination.

There were a number of non-committee members who observed and participated in the questioning of these candidates.

The committee feels we have been blessed by our contacts with these dedicated men who are committed to the ministry of the Gospel of our Lord, Jesus Christ. We are grateful to God for them and have pledged our prayers and support as they go out to serve our Lord!

Prison Ministry Report

Some of the events held on the prison camp were a real success. A lot of men were saved. Statistics are growing each week as the word of the saving knowledge of our Lord and Savior, Jesus Christ, is shared. Men in prison are usually men of desperation; thus, many times they are responsive to the message of hope and salvation in Jesus Christ at the time in their lives more than at any other time. Thus, we must be always conscious of the Holy Spirit's "drawing" these men. Thus, consistent and continuing ministry must be maintained to "be there" at that crucial moment as the men move through the penal system toward return back to society. There have been several notable examples of the correctness in the lives of men moving through the Monroe unit. Their lives are living examples of discipleship.

The Monroe Jail is receiving the Word each week for the cause of Christ. There is someone ministering at the jail almost every day. I am grateful to our Association and the Lord Jesus Christ for the privilege of representing both Him and the Association in this ministry for Jesus. My prayer is that we see many souls in the kingdom of heaven.

Respectfully submitted,
Rev. Gene Helms, Chairman
Prison Ministry Committee

Sunday School Report

Shortly into the new associational year, the Associational Sunday School Director resigned, d I officially assumed the responsibility of this position in late December.

The first task confronting me was enlisting an ASSISTeam. The Director of Missions and I rked together for several months to enlist a team. During the year most of the ASSISTeam ve received some training to equip them to lead various conferences in the association and help train Sunday School workers in the local churches.

The second task we undertook was the Associational VBS Clinic. The clinic was well tended and the workers provided outstanding leadership in equipping those who would be rking in VBS during the summer months. A new conference was added to assist those who uld be working with music. We thank each person who assisted in leading the various conrences, those who attended, and Shiloh Baptist Church for hosting the conference.

The new Associational Sunday School Director attended the Key Leadership Conference at dgecrest to receive information and training for Sunday School work for 1988-89.

During the Associational Key Leadership Conference our new director lead a conference r Sunday School Directors. This was a very successful conference, with 22 of our Sunday hool Directors attending. The directors were informed, challenged and inspired to lead eir churches to teach the Bible, reach out to those who are lost or unchurched and to imove their Sunday Schools through having better trained leaders. There will be special aining conferences on the associational level as well as seminars on the regional and state vels provided by our Baptist State Convention. The new director encouraged each director the Sunday School to encourage his or her workers to receive better training by attending ese conferences or workshops.

In October our new director, assisted by our Director of Missions, lead a Pastor and Sunay School Director Workshop. Fourteen people attended.

As outgoing Sunday School Director, I thank each ASSISTeam member for the work done uring the year. To the churches and people who attended the workshops or conferences, we y "thank you" for your cooperation and desire to improve our Sunday School work in the nion Baptist Association.

Thanks to Dr. Harold Owens, our new Associational Sunday School Director, for the adership he has already given to our Sunday School work. I encourage each church, pastor nd Sunday School Director to join me in giving renewed support to Dr. Owens and in raying daily for him as he prepares and leads us in 1988-89 to new heights in Sunday School ork.

Respectfully submitted,
Rev. Carroll Spivey

The year 1987-88 was a year of some accomplishments in improving the properties o Union Baptist Association. Guttering was repaired on the associational building, a doorbe was installed in the associational building, and a mailbox was put up for mail delivery. Pic tures of all 64 of the churches in the Association were placed in order along the wall in th associational office which beautifies and identifies all our churches.

Woman's Missionary Union

The past year has been a meaningful one as the 100th anniversary of the founding o Woman's Missionary Union, SBC, was celebrated. Various events and activities in the loca churches commemorated this event. About 30 women from the association attended th National WMU Centennial Celebration in Richmond, Virginia, on May 13-14, 1988.

The 1987-1988 watchword called on us to remember our past and to prepare for the future During the year we reflected upon the heritage of Woman's Missionary Union and experience anew the sense of mission and purpose that characterized our predecessors. "Remember you leaders, those who spoke to you the word of God; consider the outcome of their life, an imitate their faith. Jesus Christ is the same yesterday and today and forever." (Hebrews 13 7-8 RSV)

In the association Woman's Missionary Union has been active in leadership training, par ticipated in special projects, provided fellowship and inspiration, promoted support o missions through praying and giving, and educated youth and children in missions. Th associational WMU Council attended the associational officers' workshops and was represente at the State and National annual meetings. The local church women supplied 160 books of 2 stamps for the Christmas boxes for the North Carolina Correction Center for Women, an awarded Mary Blair Scholarships to Melissa Rushing, Hartis Grove Church, and Chri Davis, Emmanuel Church. The women, working with their churches and Brotherhoods helped furnish five rooms and the utility room at the missionary-in-residence home a Wingate College.

Two especially meaningful meetings were the Baptist Women's Worldwide Day of Praye meeting held with the black women and the Centennial Prayer Retreat. Many churches par ticipated in the National Missions Prayer Plan and the Pilot Project for the Lottie Moon Of fering. Meetings for fellowship and inspiration were held for the BYWs, Acteens, and GAs.

The annual meeting was held on April 14 at the First Baptist Church, Marshville, whic had the first WMU organization in the association. The speakers were Osbert James fro Granada who was won to the Lord by Kenneth Wellmon, a former Southern Baptis missionary from Union Association, and Harriet Lennon, recently retired missionary t Thailand.

The following churches received recognition in 1986-87 on the Achievement Guide: DISTINGUISHED—Benton's Cross Roads, Fairfield, First Monroe, Hartis Grove, Macedonia, Mount Moriah, Sandy Ridge; STANDARD—Austin Grove, Corinth, First Marshville, Hillcrest, Sardis. The association WMU is DISTINGUISHED again this year.

"Keep us faithful, Holy Spirit,
Help us bear the message true;
That at last all lands may hear it,
'God is love; Christ died for you.' "
from WMU Centennial Hymn

Respectfully submitted,
Marian Hume, Director

Constitution

of the
Union Baptist Association

ARTICLE I - NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) therof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. *The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

American Bible Society Report

Two generations of Russian citizens have grown up without any religious training. Today they are looking for the guidance that the Bible can give them. Although the churches are filled to capacity on Sundays, there exists a tremendous shortage of Bibles. Estimates say there are 100 million Christians in Russia, but there are only five or six million Bibles.

A small Baptist congregation living in isolation on the lonely land beyond the Steppes of Central Asia was convinced that its members were the only Christians left in Russia. For 70 years the sense of responsibility in keeping the faith on the part of the members was overwhelming. To make the situation even more difficult, this small band of believers had only one Bible among them to keep the flame of Christianity from burning out. With the coming of greater freedom of expression and communication, they discovered two years ago that they are not alone. The small church has joined the All-Union Council of Evangelical Christians/Baptists, and the members exult in the fellowship with other believers. Their one Bible has been retired to a place of honor in the church. No longer do they believe it is the only Bible in the Soviet Union.

In 1988 the Soviet Union celebrated the 1000th anniversary of the making of Christianity the official religion of the country. With the encouragement of the government and the request of the Orthodox Church, 1,165,500 Scriptures were imported into the country. The United Bible Society sent 262,000 Bibles as gifts. Of these, the American Bible Society provided more than 100,000.

Again this year permission and encouragement from the government has come to send another million Bibles. The American Bible Society cannot let this invitation go unchallenged. There are requests for Bibles in 16 languages. The import permit has been received. The presses and paper are available. All that is needed is enough funds to start the process rolling so that the finished Bibles can be on their way to the hands and hearts of people hungry for His Word.

Won't you give a Bible "to someone who dosen't have one?" This is your opportunity to share God's Word with some person in the Soviet Union or Eastern Europe.

The American Bible Society plans to send one million Bibles and New Testaments as "Gifts f Love" to be distributed free to local churches for individual believers. The door is open r Scriptures in Eastern Europe. We must not miss the opportunity. Will you take advan- ge of this opportunity to share God's Word by sending "Gifts of Love" to a waiting eople? Send contributions to the American Bible Society, 1865 Broadway, New York, New ork 10023, marked "Gifts of Love."

Baptist Children's Homes of North Carolina, Inc. Annual Associational Report

Michael C. Blackwell, President

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMU and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Baptist Hospital Report to the Associations 1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of persona concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the Air-Care helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degress to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative rogram and $303,133.07 through the Homes and Hospital Offering, including church gifts irectly to the hospital. The hospital staff and patients are grateful for the services made ossible by these gifts.

Baptist Retirement Homes of North Carolina, Inc. Report

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem, will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need.

* To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.
* To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
* To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

Mrs. Janie Winchester, Mrs. Kathleen Edwards

The Biblical Recorder
Associational Report 1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upo their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to wor together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians more articles geared to youth, family and women. An even greater focus on laypersons wil continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save chur ches time, money and staff work by offering them a page in the *Recorder* in lieu of thei weekly newsletter. Watch for more details in the *Recorder* in the near future concerning thi time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper We serve hundreds of thousands of Baptists but we want to serve even more. More tha 60 percent of our news is from North Carolina now, but we want a higher percentage soon

The most important thing facing us at this point is to get the paper into more Baptis homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yoursel but please speak a good word for the paper and urge others to subscribe and read it also For more information on rates and special plans for subscribing, contact:

Brotherhood Report

Working alongside their pastor, Baptist Men and Boys become part of a total mission team. Brotherhood is the pastor, his men, and his boys ministering together in tha congregation.

To be better able to meet this challenge, we are organizing the Associational Brotherhoo Department into 11 mission ministries with an associational coordinator for each ministry Any assistance you may be able to give in achieving this goal will be greatly appreciated

Thanks to Brother Tommy Coppedge for his sterling qualities and ability as our Roya Ambassador Leader. He held an excellent Pinewood Derby at Austin Grove Baptist Church and his work on the associational track meet won for himself the respect of us all.

Through daily contacts of committed Christians in the "marketplace," the world can be won to Christ; and the priority of this department is to equip men and boys to be God' people wherever they are. We want to help them not only to live their faith, but also to share it verbally in order to help others catch the joy of the Christian faith.

North Carolina Baptist College Report - 1989
Christian Higher Education

CAMPBELL	CHOWAN	GARDNER-WEBB	MARS HILL

MEREDITH	**WAKE FOREST**		**WINGATE**
1891	1834		1895

Baptists and their colleges have been doing Christian education together for a long, long me. Look at those dates listed with each college above. When they are totaled, the cumulative umber of service years for our seven colleges is 807! North Carolina Baptists have grown p with their colleges, so much so that it is difficult to imagine our total mission program ithout them. During the 1988-89 school year there were 18,534 students and 2,249 aculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you ould get an answer such as this: "Christian education, Baptist students and Cooperative rogram support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to aptist colleges. They are smaller, friendlier campuses where Christian community is pre-ent and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to aptist colleges. Pastors and parents can help students with their life plans when they guide hem toward Baptist schools. Generous student aid and work study programs make it ossible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" or the generous dollar support through the Cooperative Program. Baptist dollars buy quality hristian education and make healthy institutions possible.

Church Training Report

Church Training enjoyed another great year in 1988-89. The work continues to advance.

"M" Night 1988 was held on November 28, 1988, at Corinth Baptist Church. We had ine churches represented with 140 in attendance. Dr. Jim Pennington, Minister of Evangelism/Discipleship for Carmel Baptist Church in Charlotte, North Carolina, brought an inspiring message on getting back to the basics. Mr. Don Duncan, Minister of Music and Education at West Monroe Baptist Church, provided the special music along with the Corinth Baptist Church Choir. A Children's Bible Drill team from Lee Park Baptist Church, led by Mrs. Nancy Broome, gave a Bible Drill demonstration. Sandy Ridge Baptist Church had the most in attendance, Mary Elizabeth Baptist Church had the best percentage of enrollment, and Corinth Baptist Church was the church without Church Training with the most there.

Our Associational Youth Night was held on Saturday, March 18, 1989, at Philadelphia Baptist Church. There were 175 in attendance representing 16 churches. Rev. Brian Ball, Minister of Students at Liberty Baptist Church in Hampton, Virginia, presented a very inspiring program of song and skits and then brought a powerful, challenging message. After the service, we had pizza for everyone.

The Associational Bible Drills were held on April 30, 1989, at Oakland Baptist Church. There were 22 children representing six churches who participated in the Children's Drill. There were only two youth from one church who participated in the Youth Drill.

I pray that the 1989-90 year will be a great year for Union Baptist Association. Thank you for allowing me to serve as your Church Training Director for these past two years.

Respectfully submitted,
Rev. Tony Bradley, Associational
Church Training Director

Cooperative Program Report

The Cooperative Program is to share in the coming year its 65th birthday or 65 years of cooperative efforts. . . . this program has been abused by those who do not understand it. . . . it has been refused by those who deny the New Testament teachings. . . . it has been confused by those who seek to deny its success in sharing the Gospel around the world. . . . .

Even those who refuse to accept the Cooperative Program's success will have to admit it has been an answer to the Southern Baptist Convention since its birth 65 years ago. Baptists sought a means of unifying efforts with various churches sharing together in ministry around the world. From those who cared and those who shared came the Cooperative Program. Christian work throughout the world has been greatly enhanced by the willingness of churches to work together in this united effort.

Southern Baptists cooperating together in the state of North Carolina have shown an even greater interest for missions of ministry during the year 1989. Cooperative Program receipts as of September 30, 1989, have shown an increase in giving compared to the year 1988. Even with the acknowledged increase, the budget requirements show forth a 3.73 percent need.

Special missions offerings show forth an increase in the Foreign Missions, Home Missions, and World Hunger. Offerings for the North Carolina ministries relate an increase in every area of work except in the Retirement Homes receipts.

Might we continue to cooperate on an individual, state, national, and world effort. Help us, Lord God, that we might together continue to give, share, and pray that your work might spread to the ends of the earth.

Respectfully submitted,
Rev. John Wood, Chairman,
Cooperative Program Committee
Mrs. Bobbie Lee, Mrs. Louise Godfrey

Director of Missions' Report

This year has been filled with many high moments and a few disappointments. We rejoice in all the good God has accomplished through our members and churches.

God's Word tells us that "where there is no vision, the people perish." Church and associational leadership must catch a vision of what must be accomplished in our midst. God's army must ever be on the advance. A vision of God's purpose gives us the direction of advance.

Vision leads us into the *dreaming of dreams.* The possibilities of ministry are all around us. We only need to open our eyes to the hurt of individuals. Jesus saw the hurting multitudes and had compassion for them. This must be our *response* also. I have a dream for Union Baptist Association. Please support me in that dream.

That dream is spelled out in the Union Baptist Association Five-Year Plan, 1988-1993. This place gives us four objectives: Evangelism, Mission Ministries, Communications, and Church Growth. Each of these has been emphasized this past year and progress has been made.

Progress is being made: 519 baptisms, two evangelistic teams to Sao Paulo, Brazil, Literacy Ministry is helping adults to read, Hugo response, ministers' calling chain is working, and training for ministers (Church Growth Workshop, VALS Training, and How To Be A Better Minister).

The volunteer response to "Hugo" is worthy of comment. You need to know that *over 125* volunteers came into Union County and helped in the cleanup and rebuilding process. At least five pickup loads of staple foods have been given to us for distribution to those who had food needs. Financial aid has been received from outside and added to our disaster fund to help those with no insurance coverage.

My prayer is that our membership will learn from those volunteers who came to our county to assist us in getting back on our feet. They came because the love of God permeated their lives and their response was to meet the ministry needs in Union County.

Most of us are bored by statistics. You should be interested in how I spent my time directing:

Miles driven	14,923
Church visits	115
Sermons preached	31
Speaking engagements	13
Associational meetings attended	51
Visits (pastors and members)	55

The new budget ($140,907.40) will require increased giving by our 64 churches. Don't panic, remember our God is able and also three percent of the undesignated gifts of our churches would provide a budget of approximately $175,000.

This is your Association!!!! Get involved, then you will have the opportunity to share in its future and help Union Baptist Association become all God wants it to be.

The challenge before Union Baptist Association is great. Pray that God will grant me wisdom and strength to lead this people.

Respectfully submitted,
Rev. Clarence O. Vassar, Director of Missions

Minutes of Executive Committee Meeting

NOVEMBER 22, 1988

The regular meeting of the Executive Committee of Union Baptist Association was held on November 22, 1988, at 8:00 p.m. in the associational building. Earl James, Moderator, presided.

Rev. Charles McAteer brought the devotion from Psalms 40:1-10. He led in prayer.

Roll call was given with 38 members from 28 churches.

Moderator James stated that the minutes of the last Executive Committee Meeting were approved at the annual meeting.

All new Executive Committee members were recognized.

There were no new pastors.

Moderator James challenged the pastors to make a special effort to welcome new pastors when they come onto the field.

Rev. Bill Culbertson, Chairman of the Staff Relations Committee, was recognized. He asked for direction for the Staff Relations Committee because of action taken at the annual meeting concerning a Church Planter. The candidate, whose name was presented at the annual meeting for the position of Church Planter, has declined. The committee has met since and the members are willing to continue in the search for a Church Planter if the Association wants one. The committee needs to know the following:

1. Do we want a Church Planter? Following discussion, a recommendation was made that we go forward in seeking a Church Planter. The recommendation carried.
2. Are you going to pay for a Church Planter? He explained how the salary is broken down (one-third from the Baptist State Convention, one-third from the Home Mission Board, and one-third from the Association). We may not get the Home Mission Board's one-third if they do not approve the person being considered for the position. There are not many Church Planters.
3. Do you want the Staff Relations Committee to interview anyone and if so, what process. He asked if the churches would be willing to contribute enough to the Association to add to the budget to pay the Church Planter if the Home Mission Board does not contribute.

Following discussion, a motion was made that we instruct the Staff Relations Committee to secure preferably someone approved by the Home Mission Board, and if that is not possible, someone else and that that person be presented to the Executive Committee to be voted on. The motion was seconded. Following further discussion, a motion was made that we table this issue until after we settle the property. The motion was seconded and carried.

Rev. George Gouge, Chairman of the Missions and Outreach Committee, was recognized. The Association voted to purchase a piece of property in the Goose Creek area at the annual meeting. We did not vote as to how we will pay for the property. The Missions and Outreach Committee recommends that we give the Association the authority to borrow $40,000 to buy the land. This would be paid back in a period of five (5) years. There would be no processing fees and no penalty for early payoff. This was brought as a motion, seconded, and questions were asked. Following discussion, the motion carried.

In the June 7, 1988, Executive Committee Meeting, the committee voted to purchase a tract of land in the Weddington area. We are still dealing with the IRS concerning a tax exempt status. In the meantime, on November 8, 1988, thirteen (13) pages of restrictions were received that had been placed on the land. Some of the restrictions we would have problems with. Mr. Bobby Griffin, associational attorney, received these restrictions from the seller's attorney. The Missions and Outreach Committee has been made aware of another piece of property very close to the piece voted on. The second piece is located on Providence Road (Highway 16). It is a 15-acre tract of land. The seller has agreed to divide the property. There is road frontage of 771 feet. We can purchase this at $19,000 per acre. We will be

tting approximately eight acres which will be $152,000. Whoever would purchase the her portion, if they wanted to build a road, we would have to give them a 30-foot right way. The Missions and Outreach Committee recommends that we forget about the first ece of property and that we proceed with the second piece. We do stand to lose the $1,000 nder placed on the first property. We have $49,000 that we had been holding for the first iece of property. That money will be available to go on the second piece. We would have borrow approximately $100,000. The recommendation, brought in the form of a otion, was seconded. After further discussion concerning the financing of both the Veddington property and the Goose Creek property, a motion was made that we amend ie prior motion made on the Goose Creek property and pay that property off and borrow ioney only on the Weddington property. However, following discussion, the amendment as withdrawn. The original motion carried.

The following reports were given:

1. TREASURER - Buford Griffin, Treasurer, referred to his printed report, making comments concerning the report.
2. CHURCH TRAINING - Rev. Tony Bradley, Church Training Director, promoted "M" Night to be held on Monday, November 28, 1988, at Corinth Baptist at 7:30 p.m.
3. BROTHERHOOD - Gene Williams, Brotherhood Director, stated that he hopes every church has set a goal for the Lottie Moon Christmas Offering.
4. TRUSTEES - In the absence of John V. Williams, Chairman of the Trustees, Moderator James reported that we should be able to get the water problem in the associational building solved with free labor and everything donated.
5. EVANGELISM - Rev. Mike Whitson, Evangelism Director, reported that he needs some suggestions from the pastors to enable us to have a good Evangelism Conference.

Here, away from cares and interruptions, th church leaders came to know each other better and made plans for the year. The Churc Council and the Diaconate meet regularly once a month. November was highlighte by the State Convention and reaffirmation of Baptist beliefs of the priesthood of th believer and the independence of the individual church. We continued our Family Nigh dinners the third Wednesday in each month which are well attended. The Affiliation Committee has worked very hard to define our place in the SBC. They attended th Southern Baptist Alliance meetings and the church voted to make a contribution t the Alliance. Work continues in considering in what manner our budget should b divided. Deacons met at Caraway for information and prayer for guidance. Specia programs have been given which were expertly prepared and presented. Our Day Car has been upgraded under new leadership with the expectation of its becoming a greate asset to the church and to the community. Our music program grows. We now hav four choirs giving all ages an opportunity for training and performance. A revival wa held in September with the Reverend Bill Treadwell leading us in a series of inspira tional messages. Our baptistry has been moved and some renovations made in th sanctuary and day care area. Also, the social hall has been enlarged to answer the nee for more space. A last effort for the year was the printing and delivery of a new churc directory. We have had a rewarding year at Wingate Baptist Church both in materia and spiritual advancement, for which we give grateful thanks to our God.

Mission Ministries Committee Report

The Mission Ministries Committee would like to encourage all the churches in Unio Baptist Association to more effectively and cooperatively meet human social needs.

We have compiled the information about existing agencies which already provide help particularly: Hospice, Crisis Assistance Ministry, Sharing Station, Union County Substanc Abuse Task Force, etc. This information is available at the associational office upo request. We challenge you to utilize this material and to participate in the mission ministrie that Christ compels us to perform.

Matthew 25:34-40: Then shall the King way unto them on his right hand, Come, y blessed of my Father, inherit the kingdom prepared for you from the foundation of the world

For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye cam unto me.

Then shall the righteous answer him, saying, Lord when saw we thee an hungred, and fed thee: or thirsty, and gave thee drink?

When saw we thee a stranger, and took thee in? or naked, and clothed thee?

Or when saw we thee sick, or in prison, and came unto thee?

And the King shall answer and say unto them, Verily I say unto you, Inasmuch as y

ave done it unto one of the least of these my brethren, ye have done it unto me.

We would also like to encourage churches to help combat illiteracy among the adult popula-on. The literacy program was started this year. We had 12 teachers trained in the Laubach ethod. Presently we have five students enrolled. Please take time to identify those per-ons in each church community who need help; assuring confidentiality. If you have an nterest in becoming a tutor for the literacy program, future training classes will be offered.

We request your prayers for this committee as we continue to work in mission ministries.

Missions and Outreach Committee Report

This has been a very busy and productive year for the Missions and Outreach Commit-ee. We are divided into three subcommittees: Mission Ministries, New Church Starts, nd Land Purchase.

As you probably know, we have purchased land for two new church sites; one in Wed-lington and one in the Goose Creek area. Many of our churches have already contributed extra monies to pay off our indebtedness on these properties, and we thank you. The Land Purchase Committee is working to keep every church informed and participating.

The New Work Committee is always ready to help any group who desires to become a part of Union Baptist Association. They are also actively involved in seeking out churches who are interested in helping to sponsor the new works we are seeking to get started.

Our Mission Ministries Committee has worked hard in compiling information for our churches on helps that we, as individual churches, can work with these agencies in ministering to the needs of people. You can obtain this information through this committee or through the associational office.

Our command is to "go into all the world," but we are to begin in our "Jerusalem." Let us encourage you to always be active in reaching out to those around you who may need your help.

Music Report

We have purchased a collection of hymn arrangements called "What Music I Hear." Forty copies are now the property of the Union Baptist Association. They are for the use of any church that would check this music out and use it to perform one or all pieces of the collection. Some of the arrangements will be featured at this year's annual meeting. A special note of interest, this collection is accompanied with sound track.

We did have some attend the Volunteer Music Directors' Conference and gave glowin reports.

We thank Dr. Blizzard, Wingate College; Rev. Hamilton, Monroe, First Baptist Churcl Mr. Keith Laney, Oakland Baptist Church; Mrs. Myra Poplin, Shiloh Baptist Church; Mr Janice Latta, Macedonia Baptist Church; and Mr. Don Duncan, West Monroe Baptist Churc for the music rendered at last year's annual meeting.

Prison Ministry Report

Greetings to you from the Church Behind the Fence.

The years 1988 and 1989 have been good in the Jail and Prison Ministry. As I sat in my study and looked back over the years, I realize that I have not accomplished as much as I should have. I look forward to the next year. I want the next year to be the best year we have ever had.

The dates for the 1989 Christmas Party have not been set yet, but the men are already asking if we will be bringing those good cakes again this year. I appreciate the way in which all of the churches have responded over the past few years. May God bless you.

A big "Thanks" comes from the inmates at the Union County Jail and Prison for all of the Bibles and tracks that they have received over the past year.

If you know of anyone that we might be able to minister to, let us know and we will do all we can to help them. We are in the people business. We want to reach out and touch people for Jesus, and God has the power to change them with the Gospel.

Respectfully submitted,
Rev. Gene Helms, Chairman, Prison Committee
Mr. Scott Phillips, Dr. Henry Funderburk

Sunday School Report

Everything we do through the local church ought to be important. Of course some things are more basic than others and, therefore, the support and place we give to these activities will mean the difference between the success or failure of the total ministry of the church.

Basic and essential to the progress of all that we are doing are these four tasks: (1) Reaching the people; (2) Teaching them the Bible; (3) Winning the lost to Christ; and (4) Developing Christians into maturity. By nature the Sunday School, as the Bible teaching agent of the church, plays a major role in accomplishing these four tasks.

Reaching people for Christ is contingent upon reaching them with Bible study. We depend upon the Sunday School for enrollment of prospects and church members in Bible study. We reach and teach them with open Bible. Then we develop them spiritually for their respective places in God's kingdom work.

The ASSISTeam of the Union Baptist Association is available to help your Sunday School in any way possible. Perhaps you do not know what the designation "ASSISTeam" means. "ASSIST" (using the acrostic) means:

A ssociational
S unday
S chool
I mprovement
S upport
T eam

That is the sole purpose of our existence - to support the churches of the Union Baptist Association in Sunday School improvement. It is our ministry as a team to share with you any possible valuable resources which will support and strengthen you in developing a strong Bible teaching program and a growing Sunday School.

Although we did not accomplish all that we had hoped to do this past year, the ASSISTeam has participated in and led in the following training institute and conferences:

(1) In February, our Director of Missions, ASSIST Director, and seven members of the ASSISTeam attended a North Carolina Baptist State Convention ASSISTraining Institute in Asheville, N.C.

(2) Last May the ASSISTeam conducted a Literature Workshop at the Mary Elizabeth Church in our association.

(3) The ASSIST Director led a conference at Oakland Baptist Church during the Association Key Leadership Conference.

We also had a Sunday School Preparation Week Workshop scheduled for September 24 1989, however, we had to cancel this due to the aftermath of Hurricane Hugo.

I want to thank all those who served on the ASSISTeam this past year. Also, I wish t thank Rev. Donnie Gambel, VBS Director, and his fine team for the splendid Associationa VBS Clinic which they conducted at West Monroe Baptist Church in May.

Dr. Harold Owens

Trustees' Report

The past year has been very fruitful in many ways; but we can always look back and see where, with a little more effort, many other things could have been accomplished. However, those unfinished things will be a challenge for the next board.

One major accomplishment was getting the moisture problem in the basement of our building corrected. This has plagued us for a long time. With the help of many friends, the donations of time, labor, materials, and machinery, we dug below the foundation, laid perforated pipe to collect the water, and ran the piping to the street to carry it away from the building. The wall was then cleaned and coated to seal out moisture.

The interior walls in the meeting room were painted and a new copier purchased that we think will handle our needs for the next three to five years. We also created more storage area by placing shelving in one of the closets. A new sign has been purchased to be placed on the lawn at the front of our building.

Without friends of our Association, some of these things could not have been accomplished. To these people we thank you. God knows who you are, what you have done, and He will reward you accordingly.

Woman's Missionary Union Report

"Launching Century 2: A Future to Fulfill" has been the emphasis for the 101st year of WMU Work. Grateful for our heritage, WMU began the second century realizing that the future demands commitment, imagination, risks, and relevance as responses are made to the world's needs.

The local church WMUs have been active in 54 churches. Faith Church began WMU work with Baptist Women, Acteens, Girls in Action, and Missions Friends after a lapse of several years. New Baptist Young Women organizations were begun at Roanoke, First Monroe, Hopewell, and Oakland. In-Team Baptist Women organizations are active at Hopewell and Sandy Ridge. These women cannot attend meetings, but they study about, pray for, and support missions.

All of the associational WMU Council members attended an associational officers' workshop. These officers have provided training for church WMU leaders, promoted support through praying and giving, taught mission studies, and planned and held associational age-level meetings for fellowship and inspiration.

The women have been involved in a number of activities throughout the year. The church WMUs supplied 175 books of 20 stamps for the Christmas boxes for the North Carolina

orrection Center for Women. The recipients of the Mary Blair WMU scholarships for 989-90 are Mrs. Susan Kindley, Antioch Church, and Kim Williams, Hopewell Church. n addition, the women have worked as volunteers and supplied needed materials, food, nd resources for Hospice, Loaves and Fishes, Mission Air, Turning Point, area rest homes, he trainable school, the winter shelter, and other agencies.

The Baptist Women's World Day of Prayer held with the black women at Piney Grove ast Church was especially uplifting. The Leadership Conference held on the eve of Hurricane Hugo's arrival, September 21, 1989, was well attended.

The annual meeting was held on Thursday, April 13, 1989, at the Wingate Baptist Church. Two highlights of the program were Joe Stroud's report on his trip to Sao Paulo, Brazil, nd the missionary message by Wanda and James W. (Buz) Parks who have served one term n Chile.

The following churches received recognition on the 1987-88 Achievement Guide: DISTINGUISHED--Benton's Cross Roads, Fairfield, Hartis Grove, Macedonia, First of Monroe, Mt. Pleasant, Mt. Zion, Sandy Ridge, and Trinity; STANDARD--Austin Grove, First of Marshville, Mt. Moriah, Oakland, Sardis, and Sutton Park. The associational WMU s DISTINGUISHED for 1988-89.

Listen to the missionary call in words and phrases in the 1988-89 watchword. "You have eard; look at all this, And you, will you not declare it? I proclaim to you new things from his time. Even hidden things which you have not known." (Isaiah 48:6 NASB). Hear the Gospel. Hear the cries for help. Look at the needs. More importantly look at the *needy*. Will you declare the Gospel? The Commission that is part of our relationship to Christ divinely and hauntingly tugs at us--to live and share the Gospel.

Marian Hume, Director

*The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

American Bible Society Report

The goal of the American Bible Society every year has been to reach all people everywhere h God's Word in the language and format they can best understand. Southern Baptists' jor emphasis on missions is complemented by this goal. Hence, many Southern Baptist lividuals and churches provide support for the work of the American Bible Society.

The year 1989 will be remembered in history as the year when millions of captives all er the world were set free - both politically and spiritually. Not only did the Berlin Wall l, but so did the walls that separated people from the Word of God.

The people of the Soviet Union and Eastern Europe almost overnight became free to ask · copies of the Scriptures which had been denied for so long. With the money provided thout hesitation by ABS members and friends, 90,000 Bibles, New Testaments, and other riptures were provided them. They are still requesting many more Scriptures.

People in China continue to enjoy the freedom to receive and read the Bible in their own nguage. Contributions sent to ABS aided Amity Printing Press in Nanjing, China, to ntinue producing 60,000 Bibles every month for the Chinese.

Hundreds of millions of people found freedom to read the Word as they received Scrip-res in their own language. At the end of 1989 at least one book of the Bible had been anslated into 1,928 languages.

Freed from the bonds of illiteracy were millions in all parts of the world as they became le to read for themselves the Words of life through New Readers Scriptures.

Two-thirds of the world's people are still without the knowledge of our Lord and Savior. is imperative that we provide them with the Scriptures they need in order to discover e true path to eternal life. Through contributions to the American Bible Society, you can lp support its ministry of Scriptures evangelism.

1990 Report of Baptist Children's Homes of North Carolina, Inc.

MICHAEL C. BLACKWELL, President

For 105 years Baptist Children's Homes of North Carolina has been giving children a hance at life. This year we formalized that phrase into our first state-wide fund-raising ampaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to xpand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, o give security to children of working couples, who won't have to go home to empty houses nymore.

Some of the new endowment earnings will increase training to help staff deal with ever-hanging needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build a new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an en-

tire fiscal year. For the past five years that special collection has meant $400,000 to ministry, a sum that will be difficult to make up in the 1990-91 budget. Some church aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 19

The Cooperative Program continues to anchor our budget planning from the church We urge renewed commitment to cooperative giving among our North Carolina church It is essential, not only for us, but for the entire missions enterprise built painstakin for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperat Program receipts each year. That is the stackpole around which we build our other inco planning. A decrease in Cooperative Program dollars to Baptist Children's Homes wo seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Servi to operate two emergency care homes owned by the county. That raises to 11 the numl of emergency care homes BCH operates. That service, in which a child at risk of abuse neglect can receive shelter right away, is the service most in demand throughout the sta Children stay a maximum of 60 days while BCH works with the custodian to determ a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his fami the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in gro care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot t ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to w children and families with eternal blessings.

North Carolina Baptist Foundation Report to Baptist Associations of North Carolina

The historical records of the North Carolina Baptist Foundation will reveal 1989 a 1990 to be significant in its 70 year history. Organized following action taken at the 19 Convention and chartered by the State of North Carolina in 1920 as a charitable corpo tion, the Trustee agency of the Convention has only in recent years begun to have impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within No Carolina concerning estate stewardship as a viable and significant means of providi financial support of Christian endeavors fostered by our churches, the Baptist Foundati assists individuals in the establishment of endowment and trust funds. Through these fun financial support is provided the donor's chosen Christian cause or causes on a continui basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significa during the past few years. Since January 1, 1988, the assets placed under management the Foundation has increased by over $13 million through May 1990. This exceeds the as growth goals set in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$ 1,106,930
Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$ 1,361,836

Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

ifts of appreciated assets, such as stock and real estate, can be placed in trust to generate me for individuals and then pay income to Christian causes beyond their lifetime. As sult of this unique opportunity to give, older adults are realizing the joy of establishing income trusts. This plan often provides a significant increase in personal income, bypass apital gain taxes, creation of a charitable deduction for income tax and estate taxes, l assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 are foot office building was constructed from gifts from individuals and is located on perty provided by the Baptist State Convention next to the Baptist Building in Cary. e new facility was occupied in February 1990, and provides much needed space for the rk of staff as well as for conferences and meetings. Baptist groups are invited to use the eting rooms when in the Raleigh/Cary area. We extend an invitation to church groups all and arrange a visit to the newest building used for the Lord's service by North Carolina ptists.

The Foundation employs seven full-time employees and operates under the direction of 0 member Board of Directors elected by the Baptist State Convention.

Baptist Retirement Homes of North Carolina, Inc.

1990: PROVIDING THE BEST OF TIMES TO NC OLDER ADULTS

Making life for Older Adults the Best of Times is the continuing goal of Baptist Reti ment Homes of North Carolina Inc., which operates four residential facilities for Older Adu around the state — in Albemarle, Asheville, Hamilton and Winston-Salem.

In Albemarle, Baptist Retirement Homes has provided assisted living in a resident setting for 30 Older Adults since 1953.

Its ministry is greatly enhanced by the strong support of the surrounding commun and its churches. The Brotherhood, WMU and senior adult clubs at many nearby church provide fellowship, entertainment, skills and physical labor, household needs — whatev they see are needed by the home.

The Albemarle Baptist Home also offers respite care for those families who are respon ble for an Older Adult and need some time away from that responsibility.

It, and other alternative forms of residential care for Older Adults, are additional wa being explored by the Homes to meet the growing needs of the Older Adult Baptist popu tion in this state.

The other homes around the state have equally promising years ahead.

The Board of Trustees of Baptist Retirement Homes applied in July for permission construct the 60 nursing care beds the state is allocating to Buncombe County in 199

State approval of its plans will be the next step toward adding a 60-bed health-care u to the Western North Carolina Baptist Home.

Currently the only nursing care provided by Baptist Retirement Homes is the 85-b nursing care unit at Brookridge Retirement Community in Winston-Salem, the newest facili operated by Baptist Retirement Homes.

In Winston-Salem, Brookridge celebrates its first birthday in 1990. It is the largest of facilities, providing five levels of care — independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit — to 350 Older Adults.

The Hamilton Baptist Home also provides assisted living in a residential setting to 30 Older Adults in a small community in Eastern North Carolina.

Please pray for our ministry.

ASSOCIATIONAL REPORT - 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Brotherhood Report

The Southern Baptist Convention stands at a crossroads, and we have begun to decli in many areas! The SBC was founded to give Baptist Churches a cooperative way of su porting missions. On Tuesday evening at the New Orleans Convention of more than 38,0 who voted that morning for officers, only about 3,000 of that number were present to he the Home Mission Board Report. On Wednesday evening only about 12,000 people hea the Foreign Mission Board presentation.

What does this mean to Union Baptist Association and the Brotherhood Departmen We must continue to focus our eyes on Christ, who calls, gifts, and equips us to be o mission to the world for Him. We must continue to remember tht it is God who is i control. It is his agenda that we are called to be about. We must continue to teach, an involve men and boys in Missions. God has placed Union Baptist Association in an ope door, with so many places to use your gift for His Glory! Let us encourage you to contin to be involved in whatever way you feel led.

We are indeed grateful to our Lord for all the interest in, and the enthusiasm for, a the projects which our Associational Brotherhood Department undertook this year. We than Lanes Creek for hosting our Pinewood Derby, and are grateful for the wonderful spirit an fellowship. Thanks to Forest Hills High School for the use of their track field, where ou Associational Track Meet was held. Steve Little, our Associational RA Director, did a excellent job organizing and directing Associational Events.

We thank every church for the Christian fellowship, and helping hand in the projec which our Associational Brotherhood Department undertook this year.

Christian Action League of North Carolina, Inc. Annual Report 1990

The last 12 months have been eventful ones in the Ministry of Applied Christianity

LEGISLATIVE ISSUES

1. GAMBLING

All three lottery bills died in committee because the pro-gambling forces just didn' have the votes. The gambling industry launched a major campaign this year becaus the state was facing a $500 million budget short-fall. They employed the most effectiv lobbyists that can be found in North Carolina. The State Government Employees Associa tion made the lottery, its number one legislative objective. Yet, all of this wasn't enoug because the Christian community spoke up.

You can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that reall would have toughened our drunk driving laws did not materialize. Some well-know defense attorneys made "sham" compromise offers in the House-Senate Conference Com mittee, but the House conferees rejected the offer. In many ways, the Senate compromis would have weakened even our current laws.

The House Bill provided for:

a. The lowering of the breathalyzer blood alcohol level from .10 to .08;
b. The banning of open containers of all alcoholic beverages in motor vehicles;

c. Increasing the civil revocation of drivers' licenses from 10 to 30 days (North Carolina is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer);
d. Increasing the fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later).

. ABORTION

a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.
b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion).

. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felon.

The U.S. Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children."

We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns n places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morgan-on, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues hrough our publication, *Tomorrow,* and through speaking in churches, pastors' conferences, nd civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.

Church Extension Director/Church Planter Report

Why do we need new churches? The greatest reason is because there are more than 1 million Americans who are not Christians. However, there are several other reasons, t

1) We need new churches to carry out the mandate of the Great Commission wh is the mission God called us to join Him in.
2) The church-to-population ratio in the SBC has declined from one church for 4,0 people in 1889 to one church for 6,200 people today. Established churches usua do not absorb new community growth; therefore, we need new churches to rea new people.
3) We need new churches because God has blessed Southern Baptists with a ch lenging vision for starting 13,000 new churches with 14 million members by A. 2000, and annually baptizing one million people.

"SHARE HERITAGE AND HOPE...EXTEND CHRIST'S MISSION"

This is the theme for Bold Mission Thrust in 1990-91. We need to share our hope a heritage with others. Our goal in the state of NC is to enlist 2,000 sponsoring churches plant 2,000 new churches in 1990-91. As Union Baptists, we must set a goal of two n churches for this year.

I would like to thank our churches in Union County for surpassing this goal in our fi year of starting new work. Within the past year, we have started four new anglo wo and a Hispanic mission.

Morgan Hill Road Baptist Church was the first new work to begin back in Novemb of last year. They constitute as a church in May of this year with 34 members. They a averaging about 25 persons a week in Sunday School and between 30 and 35 for Morni Worship Service. The pastor of Morgan Hill Road Baptist Church is Rev. John Crain. T church is at the present involved in a fund raising campaign to raise enough money to p off their land and begin their first building. They are presently meeting in the Assoc tional building.

First Baptist Church of Weddington was the second new work to be started this ye Bill Fogarty the pastor at First Baptist started this church by knocking on doors in Decemb of 1990. The church has grown from 0 to 88 members in less than a year. They now ha 113 enrolled in Sunday School with an average of 61 in August. They are also averagi in the eighties for their Morning Worship Service. They have elected a building committ and are beginning to make plans for their first building.

The third new work to begin in 1990 was the Hispanic mission at Oakland Baptist Churc This was a group of Spanish speaking people who needed a place to worship. Oakland Ba tist saw the need and because of the large numbers of Hispanics in their neighborhood, th took on the sponsorship. The name of this new group is "The Good Shepherd." They a averaging about 22 persons a week for worship. Their worship services are on Sunday afte noons at 3:00 p.m. God is richly blessing both the people of The Good Shepherd and t people of Oakland as they work together to further the kingdom of the Lord.

The fourth new church start in 1990 is the beginning of Christ Baptist Church, whi is located on Mill Grove Road in the Goose Creek Area. We now have three families wh are committed to being the core group of the church and they are working to reach other One of the ways we are doing this is by phoning for prospects. During the time I am writi this report we have already located over a hundred families who desire more informatio about the new church. These families will be put on a prospect list and will receive sever other contacts from Christ Baptist Church in the next month. The date for our first servi is December 2, 1990, at 10:00 a.m. The service will be held in a modular unit which h been placed on the property. This church is coming into being because of the hard wo and support of Union County Baptists. Our sponsoring church for this new work will b Benton's Cross Roads Baptist Church. They have accepted the Lord's challenge to rea out to the world.

The final new church will come into the Association during our annual meeting this year when they are taken in under watchcare. This church is Pathway Baptist Church which is being sponsored by Covenant Baptist Church. The pastor of Pathway Baptist Church is Rev. Ken West. They are now meeting at 205 Morgan Mill Road.

God has blessed Union Baptists in the past few years. He has opened many doors and allowed us to move more rapidly than we hoped. In the coming year we are looking for two churches who would be willing to sponsor a new church. If we are to reach our goal of two new churches in 1991, we must have these sponsoring churches. The Lord is willing to bless those who trust and obey. Let us as His people continue to follow His leading and guidance.

In His service,
Randy Wadford, Church Extension Director/Planter

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ Is the Answer, What Is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocations, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches can call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

THE TRIPOD

Dr. S.L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, b historic Baptist principles:

1. *The authority of the Scriptures and the Lordship of Christ.* Because we regard th Bible as sufficient authority, to be interpreted by the individual under the guidanc of the Spirit of God, we do not need authoritative creeds or ecclesiastical organiza tions as a substitute for the authority of the Bible.
2. *The competence of the individual and the priesthood of believers.* Each individual ha the right to approach God directly, and every individual is competent to deal directl with God in all matters pertaining to salvation and the Christian life.
3. *The autonomy of the local church and cooperation in Christian service.* Each church i congregational in organization, with every member having the right to vote Cooperation, not coercion, is the basis of denominational unity.
4. *Freedom of religion and a free church in a free state.* Religious liberty rather tha religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and th Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of part nership in the Gospel.

Director of Missions' Report

This year would be characterized as one of our best or maybe the very best year for Union aptist Association. God has been so very good to us and has accomplished so much through ıose that constitute Union Baptist Association. Take time to read the reports included in ıis Book of Reports — Digest of Letters, Finance, Church Extension/Church Planter, Iissions and Outreach, etc. God is to be praised!!!

Let us use a broad brush approach to capture the past, rejoice in the present, and accept ıe challenge of the future.

AST

God's Word tells us that "where there is no vision, the people perish." church and associaonal leadership must catch a vision of what must be accomplished in our midst. God's rmy must ever be on the advance. A vision of God's purpose gives us the direction of dvance.

Vision leads us into the *dreaming of dreams.* The possibilities of ministry are all around s. We only need to open our eyes to the hurt of individuals. Jesus saw the hurting multitudes nd had compassion on them. This must be our response also. A few years ago 36 individuals erformed a self study of our association. Their report (The Five-year Plan), which you dopted in 1988, identified the four objectives of emphasis in the weeks and months ahead. have a dream for Union Baptist Association. Please support me in that dream. That dream s spelled out in the Union Baptist Association Five-year Plan 1988-1993. This plan gives s four objectives: Evangelism, Mission Ministries, Communications, and Church Growth. ach of these has been emphasized this past year and progress has been made.

RESENT

God has led in the beginning of three *new works*—The Good Shepherd (Spanish), Morgan Iill Road Baptist Church, and Weddington, First Baptist Church. You will vote, at this

annual session, on bringing Pathway Baptist Church in under "watchcare," Christ Ba tist Church (Goose Creek area) will begin services on December 2, 1990.

Evangelism was a major emphasis during this year: 1989-90 (693 baptisms), 1988-89 (5(baptisms), 1987-88 (531 baptisms), 1986-87 (385 baptisms), and 1985-86 (438 baptisms The number of churches reporting zero baptisms is down.

Mission Ministries continues its emphasis on literacy. In the years ahead, this committ will look at the needs of the blind, deaf, and needy.

Efforts have been made in the area of *Communication* and fellowship. Much great emphasis must be given to these two areas next year.

FUTURE

EVANGELISM - Would God honor a goal of 1,000 baptisms in the new year? Would eac church accept a challenge to increase their baptisms by 40 percent.

NEW WORK - How many doors will God open for church starts in the year ahead? Wi we, God's people, be willing to march through those open doors? It will take faith on ou part. There are multiplied thousands who are unchurched and lost in Union County.

MISSION MINISTRIES - Should we begin work with the blind and or the deaf in th new year? They need to hear the gospel also. Is another food and clothes closet needed i our county? Support this committee in their effort to meet the needs of people.

COMMUNICATION - The new format for our newsletter should improve our communica tions. Efforts will be made to improve on the information available in the associationa office for individuals and churches. The office staff is working on providing informatio in advance for the Executive Committee.

FELLOWSHIP - The new officers for the Ministers' Prayer Breakfast and for th Ministers' Conference have been challenged to concentrate on improving the fellowshi among the ministers. This should lead to improved relations between churches. With greate fellowship, our overall effort for God will be enhanced.

Most of us are bored by statistics. The following will tell you how I spent my time durin 1989-90:

Miles driven	13,051
Church visits	138
Sermons preached	22
Speaking engagements	9
Associational meetings attended	84
Visits (pastors and members)	96

The new budget ($169,735.44) will require increased giving by our 66 churches and on mission. Our God is able and certainly proved it in 1989-90. Three percent of th undesignated giving last year would support a budget of $198,000.

This is your association!!! Get involved and allow God to use you and your talents fo His glory.

The challenge before Union Baptist Association is tremendous. Pray that God will gran me the wisdom, physical strength, and spiritual insight to lead this people.

Respectfully submitted
Rev. Clarence O. Vassa
Director of Mission

Discipleship Training Report

Discipleship training enjoyed yet another great year in 1989-90. We are seeing more chur ches share an interest in Discipleship Training.

"M" Night 1989 was held on November 27, 1989, at Indian Trail Baptist Church. Dr. Mark Coats, pastor of Calvary Baptist Church, Winston-Salem, was our speaker. We

gistered 132 in attendance. Testimonies were shared by two of the members of Indian ail Baptist on CWT and MasterLife.

The Associational Bible Drills were held on Sunday, April 29 at Fairfield Baptist Church. e had 20 children representing five churches participate. All 20 qualified for the State rills held at Eastern Hills Baptist Church in Charlotte on May 19. We had six in the Youth rills from two different churches. We also had two participants in the Speakers' Tour- ments from Mountain Springs Baptist Church. We congratulate the participants and their aders for a job well done.

We are looking for the greatest year ever in Discipleship Training this year in Union aptist Association.

Respectfully submitted,
Rev. Kenneth Snead, Director

Evangelism Committee Report

We as Southern Baptists and Churches that are a part of the Union Baptist Association now that God's Word instructs each of us to be about. That is *"OUT REACH."* The andate that we have is reaching people for Jesus. Sharing Him, and ourselves to a lost ommunity and world.

I just believe this is what the Lord Himself is trying to get us to understand through he "Great Commission" Matthew 28:16-20. This to me spells *EVANGELISM* with a capital E." Last year, 1989, our churches reported 563 baptisms, the previous year 531, up by 2. We say Praise the Lord. "But" we have 66 churches in our Association. This comes ut to be a little over eight persons per church. Can we be satisfied? I think not. The task s a *BIG ONE* with some 84,000 people in our county, with half of these unchurched.

Way back in the early 80s we experienced "Here's Hope God Loves You." In the niddle 80s "Good News America God Loves You." In 1989 "Here's Hope Jesus Cares For You." just past in September, Mr. Sunday School, Leon Kilbreth. Getting now into and or the next five years "Witnessing/Giving Life." All this and what our Association has o offer in efforts for OUT REACH and EVANGELISM—can we be satisfied with second est? I believe not, with three new churches being birthed and all our resources, how can ve settle with just second best, when we can have the very best in our efforts in evangelism.

Yes we agree the task is great, but may we not forget God is greater. Can we as God's eople and churches set our goals high this coming year and put our trust and faith in the ne who can make it all happen. (Colossians 2:27B) "Christ in you, the Hope of Glory." How can we fail?"

Respectfully submitted,
Rev. David W. Brown, Chairman

General Board Report

The General Board of the Baptist State Convention meets three times during the year. The board receives reports from all areas of the work within the convention. The board organized into the following committees: Business Management, Church Programs, Communications, Evangelism, Missions, Stewardship, Youth and Campus Ministries, Council n Christian Higher Education, Council on Christian Social Services, Council on Christian ife and Public Affairs, Services Rendered Committee, Minister Care and Advisory ommittee and the Fruitland Baptist Bible Institute.

The following information is a brief summary of the meetings during the year.

North Carolina Baptists have been preparing for three years to go to Poland. Beginning n April 1990 the first volunteers went to Poland, each week, since April, people have gone o work on seminary buildings. All volunteer positions were filled in 1990.

The Sao Paulo, Brazil partnership has had over 1,000 people to participate in the artnership mission effort.

The Baptist Student Center at UNC Asheville has been completed. The convention urchased a house and renovated it to meet the needs of a student center. It is adjacent o the UNC Asheville campus. Baptists should be proud of the center.

Due to UNC Greensboro's exerted pressure to acquire the Baptist Student Center Land n Campus, a new approach was undertaken to provide for our Baptist students. In order o maintain the presence in ministry that we have had on that campus since 1922, it was ecided to join with other groups to cooperatively own a building on campus. The location s almost ideal and can work well for the welfare of our Baptist students.

To effectively continue the student ministry on the UNC Greensboro campus, the board oted to become a part of the Associated Campus Ministries at UNC Greensboro, Inc. for he purpose of constructing and operating a cooperative campus ministry center.

The board adopted dates for the social services institutions individual offerings. Dates or the offerings will be: February 3-10, 1991, for Retirement Homes; May 5-12, 1991, or the Baptist Hospital; November 10-17, 1991, for Children's Homes.

Chowan College is undertaking efforts to become a four year college. The college dministration is working within the guidelines set forth by the convention in the effort o become a four year college.

Health insurance is an ongoing problem for the convention in providing coverage for astors and other employees. Aetna had experienced tremendous cost overruns to the point hat it was getting beyond their ability to handle the Annuity Board's health insurance vithout some kind of severe increase to handle the cost. The Annuity Board sought bids nd Prudential was the only company to offer a viable bid.

The board has in place a "Personal Study Evaluation Committee." Any time a vacancy ccurs in the convention staff, filling the position is not done without detailed study. The osition must be evaluated very thoroughly and justified. The Executive Committee has unctioning a "Position Evaluation Committee" that makes the recommendation as to whether it should be continued etc. or merged with another position.

To make the convention staff more readily available to our Baptist constituency, an old lan is being revised. Perhaps as many as ten convention employees will be assigned across he state. The effort is to begin in the near future. This does not mean a staff increase.

The proposed budget to be presented to the convention in November has generated a ot of discussion. The proposed budget will be divided between undesignated funds (20.3 ercent) to SBC offices in Nashville and designated funds (14.87 percent) eight specifically ame causes: Foreign Missions projects, $2 million; Home Mission Projects, $760,000; Baptist Committee on Joint Affairs Public Affairs, $35,000; Baptist World Alliance, $20,000; Annuity Board $40,000; Theological Education $600,000 (to be equally divided among the ix seminaries) and Missions Reserve, $515,000 to be allocated by the Baptist State Convention in the 1991 annual session, 75 percent to foreign missions and 25 percent to home missions.

The budget committee was aware the proposed change needed full exposure for it to understood. To aid in understanding the changes, ten listening sessions are being held acr the state.

Several important decisions will be made by the convention in November: one will de with the convention presidency. Woman's Missionary Union of North Carolina and Nor Carolina Baptist Men are unanimously backing a change in the state convention's constit tion, whereby a lay person must be elected convention president two out of every four yea The current constitution allows an individual to serve two one year terms; the change w require two-thirds vote of the messengers at this year's convention.

While October 17 was set aside as a day of prayer for the convention, let's hope ea member will make it a daily prayer concern.

John Grant, General Board Memb

Mission Ministries Subcommittee Report

Our purpose is to become the kind of "Ministers" (on an individual basis) that Chris would have us to be. Jesus commanded and taught caring for hurting and helpless people Remember. . . the woman at the well, . . . the blind man, . . . the hungry crowds, . . . the smal children, . . . the criminal on the cross? We encourage our churches to get involved with peopl in need and to follow Jesus' example by word and deed.

The Mission Ministries Committee would like to make the appeal to all of our churche to meet the physical needs of our Hispanic friends who now reside in Union County. Thes needs include: furniture, clothing, food staples, etc.

LITERACY MISSIONS

"And the Lord answered me, and said, write the vision, and make it plain upon tables, bu he may run that readeth it." (Hab. 2:2)

Lillian Isaacs has said, "Watching an adult learn to read is like turning a light on in a dark room. Next to becoming a Christian, learning to read is one of the most important life-changing events. For the Christian, learning to read the Bible opens vast opportunities for spiritual growth that otherwise are closed. The non-christian, reading the Bible for himself/herself, enters a dimension of understanding that hearing alone does not give. Enabling a person to read is, indeed, enabling him to run."

God is in literacy missions! And we have five tutors who are helping to "turn on a light in a dark room" by helping adults to improve their reading and writing skills. These five tutors spent 215 hours of instruction with seven adults. We are so thankful for these dedicated tutors and for these adults who are so anxious to continue to improve their reading and writing skills. Would you help us locate those who need help in these areas?

Music Report

I do not feel I have accomplished much this year as your Director. We did have a Conerence at Key Leadership and we did provide the music for the Conference on Evangelism. I see a need for so much more. A need for a reading clinic (learning to read music). A linic for beginning Directors, also for accompanist. But more than this I see a need for loser fellowship with one another. Getting to know your fellow music directors.

By God's help and guidance, I will try to be a better Associational Music Director and ry to implement these dreams and visions I have for our association.

Prison Ministry Report

Greetings to you from the Church Behind the Fence and the Prison Committee. This past year was a super year. Lives have been changed, and souls were saved by the Grace of God. We send you a special thanks for all of the help during the past year. We passed out Bibles and tracks to all of the inmates.

We really appreciate the way all the churches really helped at Christmas time with the cakes and other items that the inmates received last year.

Thanks for the many prayers that you prayed for us as we ministered to the least of these. If you know of anyone in prison anywhere that we could minister to, let us know. We will see that they get a Bible and other items that they might need. Please continue to pray for us as we minister to the Church Behind the Fence.

Respectfully submitted,
Mr. Raeford Lee, Chairman
Mr. Harold Williams, Rev. Gene Helms, Dr. Henry Funderburk

Sunday School Report

Beginning October 1990, and continuing through September 1995, a new theme is being introduced and implemented for promoting Sunday School growth in our Southern Baptist Convention churches. These years, 1990-95, will be known as "BREAKTHROUGH" years - a theme adopted by the Southern Baptist Convention Sunday School Board. The specific themes are as follows:

1990-91 BREAKTHROUGH Reach to Win
1991-92 BREAKTHROUGH Teach the Bible to Win
1992-93 BREAKTHROUGH Equip to Win
1993-94 BREAKTHROUGH Serve to Win
1994-95 BREAKTHROUGH Witness to Win

Statistics have shown that almost every church in our day is facing a growing population of adults and youth who do not know Christ as Savior and Lord. And if ever there was a time in which "BREAKTHROUGH" was needed, it is now! Sunday Schools are at the very heart of BREAKTHROUGH!

The 1990-91 theme, BREAKTHROUGH - Reach to Win, should challenge us to start new Sunday Schools and new churches. It means reaching and enrolling people in Bible study. It means a strong commitment to reach and enroll the lost for Bible study.

Serious commitment means accepting responsibility for the unreached in our communities.

Your ASSISTeam is committed to helping the churches (Sunday Schools) of Union Baptist Association in any way possible. We have a trained team who is eager to ASSIST upon invitation. During 1990, the ASSISTeam participated in the following ministry opportunities:

1. During January the team conducted conferences in two of our churches - Antioch and Oak Grove.
2. In February our Director of Missions, ASSIST Director, and seven team members attended the North Carolina Baptist Convention ASSIST Training Institute at Caraway Conference Center.
3. In March the team conducted a conference at Shiloh Baptist Church.
4. The team was represented at the North Carolina Baptist Convention Key Leadership Conference which was held at Ridgecrest Conference Center in May.
5. The ASSIST Director led a conference during the Association Key Leadership Conference in September.

On February 22-23, 1991, the ASSISTeam will be attending a Training Institute at Ridgecrest in which members will be trained to get information to the churches about the improved Sunday School curriculum which will be introduced October 1991. Also the new BREAKTHROUGH Sunday School books will be introduced to the ASSISTeams and training provided to teach these books in Association Training Schools. The 1991 Association Training Schools will be the first to introduce the new books. The tenative date for Union Baptist Association Training School is April 1-2, 1991.

Many thanks are expressed to those who served on the ASSISTeam this past year. Also much appreciation is expressed for the excellent ministry of the Association VBS Team under the direction of Reverend Donnie Gambel.

Respectfully submitted,
Dr. W. Harold Owens
Sunday School Director

Woman's Missionary Union Report

During 1989-90 the emphasis for WMU has been "In His Name: Reach, Teach, Touch." MU members were to REACH not only people for Christ but also church members who ere not involved in a missions organization. The word TEACH challenged WMU members see the needs of people around them, to change negative attitudes about missions to positive es, and to provide the stimuli for motivating people to be involved in missions. WMU embers were challenged to TOUCH people who are victims of a social or moral problem d to determine actions which can be taken to eliminate the problem and help the people volved.

Fifty-four churches have reported having one or more WMU organizations. Baptist Women as organized at First Baptist Church, Weddington.

The associational WMU Council members attended an associational council workshop t Fruitland, Caraway, or Caswell. They have provided training for church WMU officers nd leaders, taught missions studies, lead workshops, planned and held age-level meetings r fellowship, inspiration and training, motivated people to pray for and give to missions, romoted beginning new organizations, helped people be involved in missions ministry, nd aided many individuals with their concerns.

WMU members in the churches have been involved in many activities during the year. or missions ministry outside their local churches, they have not only given material resources many social agencies, individuals, and institutions, but also many members volunteer me in helping agencies such as Hospice, Loaves and Fishes, Turning Point, Crisis ssistance, the Winter Shelter, Crisis Pregnancy Center, Operation Reach Out, etc. Residents nursing and rest homes have been the recipients of many visits, planned activities, special rograms, and worship services. Homemade cakes were provided at Christmas for the ssociational Prison Ministry. Money to purchase raincoats for the Christmas boxes for ne North Carolina Correction Center for Women was given. The Mary Blair WMU scholarhips were awarded to Christine Little, Euto Church, and David Baucom, Benton Heights hurch. Each receives $500 for their freshman year at Wingate College.

The Baptist Women's World Day of Prayer at Oakland Church featured speakers, who ave either served as volunteers in Africa - Brenda Hopkins, Benin, and Verna Funderurk, Togo, or a relative who is a missionary there, Faye Weeks, Kenya, and Billie Hutchinson, Nigeria. Midway Church hosted the annual meeting on April 12, 1990. A issions fair preceded the meeting in which Robert Kerby shared experiences about his ioneer work in Montana and Washington.

These churches received recognition in 1988-89 on the WMU Achievement Guide: ISTINGUISHED - Hopewell, Macedonia, Sandy Ridge, and Sardis; STANDARD - Fair-

field, Hartis Grove, First of Monroe, Mount Moriah, Oakland, Mount Pleasant, Mour Zion, and Sutton Park. The associational WMU is DISTINGUISHED for 1989-90.

The scriptural foundation for the year's emphasis was Matthew 25:40: "And the Kin shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unt one of the least of these my brethren, ye have done it unto me." This WMU watchwor for the year shows Jesus modeling compassion and concern. The three action words - REACH TEACH, TOUCH - are intertwined and draw strength from each other. Our motivatio is to minister unto Christ, to follow His example in REACHing people for Him, and t TEACH and motivate people to see needs in order to TOUCH people in need physicall and spiritually. We are to do all IN HIS NAME.

Marian Hume, WMU Directo
